

## Viasat Named 2021 Global Satellite Business of the Year by Euroconsult

Dec 13, 2021

PARIS, Dec. 13, 2021 /PRNewswire/ -- [Viasat Inc.](#) (NASDAQ: VSAT), a global communications company, proudly announced it was the 2021 *Global Satellite Business of the Year Award* recipient at this year's World Satellite Business Week Summit.

Euroconsult, a leading global space and satellite consulting and market intelligence firm, hosts the World Satellite Business Week Summit in Paris annually, which brings together executives from across the global space, satellite and communications sectors. The *Global Satellite Business of the Year Award* recognizes the operator that achieved the best performance in terms of strategic initiatives as well as revenue growth, margins and commercial development during the past year.

"We are honored to be named the 2021 *Global Satellite Business of the Year* by Euroconsult," said Rick Baldrige, president and CEO, Viasat. "This is a testament to the hard work of our team and our ongoing commitment to transform how people and businesses connect around the world using space-based connectivity. This is an exciting time for our industry, and we're proud to be recognized as a forward-thinking innovator helping to shape the future of the global space sector with an economically powerful and environmentally safe approach – thank you Euroconsult."

"The World Satellite Business Week Awards seek to recognize those organizations, products and people who bring excellence to the forefront of the connectivity, space and satellite communications sectors," said Pacôme Révillon, CEO, Euroconsult. "Viasat has once again demonstrated extraordinary accomplishments and momentum in the space and satellite communications markets. Today we celebrate their positive contributions, which have greatly impacted the growth of our world's digital society."

The *Global Satellite Business of the Year Award* is a performance-based honor. Shortlisted candidates were assessed by a panel of industry experts based on rigorous qualitative (innovation, strategic decisions, impact) and quantitative (financial and commercial indicators) criteria.
