

Padres To Unveil Viasat Military Hall of Honor This Sunday

Apr 21, 2022

SAN DIEGO and CARLSBAD, Calif., April 21, 2022 /PRNewswire/ -- The San Diego Padres and [Viasat Inc.](#) (NASDAQ: VSAT) today announced that they will unveil the Viasat Military Hall of Honor this Sunday, April 24th, as part of the latest update to the Power Alley located in the right field concourse. The Padres, widely regarded as Major League Baseball's "Team of the Military" are partnering with Viasat to honor former Padres and other Major League Baseball players around the league who served in the military and pay tribute to Armed Services' veterans and those currently serving the U.S. military at home and around the world. An official unveiling event for the new area will take place Sunday before the Padres take on the Los Angeles Dodgers.

The Military Hall of Honor, located in the Power Alley main concourse near section 133 will serve as an interactive space allowing fans to view information and different content on each honoree through two (2) touchscreen televisions within the space. Fans will also be able to record and send personalized messages to active-duty military members and various military bases in a dedicated recording booth located within the Hall of Honor area.

"We are proud to be partnering with the Padres on the Military Hall of Honor to recognize the sacrifice of U.S. veterans and thank active service members around the world for their contributions," said Craig Miller, president of Viasat Government Systems. "Viasat strongly supports U.S. military service members, veterans and their families by providing employment opportunities, career and skills development, fellowships, and veterans transition workshops. A large contingent of Viasat's workforce are veterans, so supporting the military community and helping those still serving is a fundamental part of who we are and what we do every day."

"We are very proud to acknowledge and support our active military members and veterans alike through the Viasat Military Hall of Honor," said Padres CEO Erik Greupner. "Viasat is the perfect partner to help us pay homage to our troops through this new space that gives fans the opportunity to express their gratitude to military members worldwide."
