

Viasat to Participate in Deutsche Bank Global Space Summit

Nov 14, 2025

CARLSBAD, Calif., Nov. 14, 2025 (GLOBE NEWSWIRE) -- [Viasat, Inc.](#) (NASDAQ: VSAT), a global leader in satellite communications, today announced that its Chairman and CEO, Mark Dankberg, and Chief Financial Officer, Gary Chase, will be participating in the [Deutsche Bank Global Space Summit](#), which will be hosted in New York, New York on Wednesday November 19, 2025. Dankberg will take part in the in-person summit on a Direct-to-Device Connectivity panel at 4 p.m. ET alongside other commercial satellite operator leaders. The panel will discuss direct-to-device as the next growth vector for satellite communications through standardization and interoperability with terrestrial connectivity solutions.

There will not be a webcast for this in-person event. For specific conference information, or to register to attend the Deutsche Bank Global Space Summit, please [contact the organization](#) directly.

About Viasat

Viasat is a global communications company that believes everyone and everything in the world can be connected. With offices in 24 countries around the world, our mission shapes how consumers, businesses, governments and militaries around the world communicate and connect. Viasat is developing the ultimate global communications network to power high-quality, reliable, secure, affordable, fast connections to positively impact people's lives anywhere they are — on the ground, in the air or at sea — while building a sustainable future in space. In May 2023, Viasat completed its acquisition of Inmarsat, combining the teams, technologies and resources of the two companies to create a new global communications partner.
