Item 1.01. Entry into a Material Definitive Agreement.

On September 21, 2017, ViaSat, Inc. ("ViaSat") completed the closing of the sale of \$700.0 million in aggregate principal amount of its 5.625% Senior Notes due 2025 (the "Notes"). The Notes will not initially be guaranteed by any of ViaSat's subsidiaries, but will be jointly and severally guaranteed on a senior unsecured basis (collectively, the "Guarantees") by any of ViaSat's domestic restricted subsidiaries which in the future may guarantee ViaSat's revolving credit facility (collectively, the "Guarantors").

The Notes were issued by ViaSat pursuant to an Indenture, dated as of September 21, 2017 (the "Indenture"), by and between ViaSat and Wilmington Trust, National Association ("Wilmington Trust"), as trustee, which governs the terms of the Notes. A copy of the Indenture, which includes the form of the Notes, is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

ViaSat used a portion of the net proceeds from the Notes offering (which are estimated to be approximately \$690.1 million, after deducting estimated commissions and offering expenses) to repurchase \$298.2 million in principal amount of its outstanding 6.875% Senior Notes due 2020 (the "2020 Notes") pursuant to a cash tender offer commenced by ViaSat on September 5, 2017 and to redeem the remaining outstanding \$276.8 million in principal amount of 2020 Notes not so purchased, as described further below. ViaSat intends to use the remaining net proceeds for general corporate purposes, which may include financing costs related to the purchase, launch and operation of satellites, working capital or capital expenditures.

The initial purchasers of the Notes were Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, SunTrust Robinson Humphrey, Inc., Credit Suisse Securities (USA) LLC, Morgan Stanley & Co. LLC, MUFG Securities Americas Inc., Citizens Capital Markets, Inc., BBVA Securities Inc. and BNP Paribas Securities Corp. Certain of the initial purchasers and certain of their affiliates have provided to ViaSat and its affiliates in the past, and may provide from time to time in the future, certain commercial banking, financial advisory, investment banking and other services in the ordinary course of their business, for which they have received and may continue to receive customary fees and commissions. In particular, the agents and lenders under ViaSat's revolving credit facility include all of the initial purchasers or their affiliates, and an affiliate of J.P. Morgan Securities LLC acts as Ex-Im Facility Agent under the direct loan facility with the Export-Import Bank of the United States for the ViaSat-2 satellite (together with ViaSat's revolving credit facility, the "Credit Facilities"). Merrill Lynch, Pierce, Fenner & Smith Incorporated also acted as dealer manager with respect to the tender offer for the 2020 Notes. Certain of the initial purchasers and/or their respective affiliates may hold 2020 Notes, and such initial purchasers or their affiliates may receive a portion of the proceeds of the Notes offering as a result.

A brief description of the terms of the Notes and the Indenture follows:

Interest. The Notes will bear interest at a rate of 5.625% per year, payable semi-annually in arrears in cash on September 15 and March 15 of each year, beginning on March 15, 2018. ViaSat will make each interest payment to the holders of record of the Notes on the immediately preceding September 1 and March 1.

Maturity. The Notes will mature on September 15, 2025, unless earlier redeemed or repurchased.

Ranking. The Notes are, and any future Guarantees will be, ViaSat's and the applicable Guarantors' general senior unsecured obligations and rank equally in right of payment with all of their existing and future unsecured senior debt. The Notes are effectively junior in right of payment to their existing and future secured debt, including indebtedness under the Credit Facilities (in each case, to the extent of the value of the assets securing such debt), are structurally subordinated to all existing and future liabilities (including trade payables) of ViaSat's subsidiaries that are not Guarantors, and are senior in right of payment to all of their existing and future subordinated indebtedness.

Redemption. ViaSat may redeem the Notes, in whole or in part, at any time on or after September 15, 2020 at the redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any, to the date of redemption. Prior to September 15, 2020 ViaSat may redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof plus a "make-whole" premium, plus accrued and unpaid interest, if any. In addition, prior to September 15, 2020, ViaSat may redeem up to 40% of the aggregate principal amount of the Notes with the net cash proceeds from specified equity offerings at

the redemption price set forth in the Indenture; however, ViaSat may only make these redemptions if at least 50% of the aggregate principal amount of the Notes issued under the Indenture remains outstanding after such redemptions. ViaSat is not required to make any mandatory redemption or sinking fund payments with respect to the Notes.

If a “Change of Control Triggering Event” occurs (as defined in the Indenture), each holder of Notes may require ViaSat to repurchase all of such holder’s Notes at a purchase price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest.

Covenants. The Indenture contains covenants limiting ViaSat’s and its restricted subsidiaries’ ability to, among other things incur, assume or guarantee additional debt; issue redeemable stock and preferred stock; pay dividends, make distributions or redeem or repurchase capital stock; prepay, redeem or repurchase debt that is junior in right of payment to the Notes; make loans and investments; grant or incur liens; restrict dividends, loans or asset transfers from restricted subsidiaries; sell or otherwise dispose of assets, including capital stock of subsidiaries; enter into transactions with affiliates; reduce ViaSat’s satellite insurance; and consolidate or merge with, or sell substantially all of their assets to, another person.

Events of Default. Subject to the terms and conditions of the Indenture, each of the following, among other events, constitutes an event of default under the Indenture (after the expiration of the applicable grace periods specified therein): (1) failure by ViaSat to pay interest or premium, if any, on, or the principal of, the Notes when due; (2) failure by ViaSat or any of its restricted subsidiaries to comply with the covenants in the Indenture; (3) default by ViaSat or any of its restricted subsidiaries under any mortgage, indenture or instrument securing or evidencing indebtedness with an aggregate principal amount in excess of \$50.0 million with respect to a default in the payment of principal, interest or premium when due or where such default results in the acceleration of such indebtedness; (4) failure of ViaSat or any of its significant subsidiaries to satisfy certain final judgments when due; (5) certain bankruptcy events; and (6) the Guarantee of a Guarantor in certain circumstances ceasing to be in full force and effect, being declared null and void in a judicial proceeding or being denied or disaffirmed by such Guarantor. Upon the occurrence of an event of default under the Indenture, the principal and accrued interest under the Notes then outstanding may be declared due and payable, subject to certain limitations.

Securities Laws. The Notes were issued through a private placement to qualified institutional buyers pursuant to Rule 144A and to non-U.S. persons outside the U.S. in reliance on Regulation S under the Securities Act of 1933, as amended (the “Securities Act”). The Notes have not been registered under the Securities Act, are subject to restrictions on transfer and may only be offered or sold in transactions exempt from, or not subject to, the registration requirements of the Securities Act. This Current Report on Form 8-K does not constitute an offer to sell or buy securities, or the solicitation of an offer to sell or buy any securities.

The foregoing description of the Indenture does not purport to be complete and is qualified in its entirety by reference to the complete text of the Indenture, which is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

As previously reported, on September 5, 2017, ViaSat launched a tender offer to purchase for cash any and all of its \$575.0 million in aggregate principal amount of outstanding 2020 Notes, which tender offer was conditioned upon the receipt of net proceeds from one or more debt financings sufficient to purchase all 2020 Notes tendered. The tender offer was conducted upon the terms and subject to the conditions set forth in the Offer to Purchase, dated September 5, 2017, and in the related Letter of Transmittal. The tender offer expired at 5:00 p.m., New York City time, on September 20, 2017. Also on September 5, 2017, ViaSat delivered a conditional notice of redemption to redeem any and all of its \$575.0 million in aggregate principal amount of outstanding 2020 Notes not purchased in the cash tender offer pursuant to their optional redemption provisions at a price of 101.719% of the aggregate principal amount of outstanding Notes, plus accrued and unpaid interest to, but not including, the redemption date of October 5, 2017, which notice of redemption was conditioned upon the closing of the Notes offering.

On September 21, 2017, ViaSat accepted tenders for approximately \$298.2 million in aggregate principal amount of outstanding 2020 Notes, and such accepted 2020 Notes were cancelled. The holders of the accepted 2020 Notes received total consideration of \$1,019.00 per \$1,000 principal amount of notes tendered, plus accrued and unpaid interest to, but excluding, September 21, 2017. The total cash payment to purchase the tendered 2020 Notes, including accrued and unpaid interest, was approximately \$309.3 million, which ViaSat obtained from the closing of the private offering of the Notes described above.

Also on September 21, 2017, in connection with the redemption in full of all of the remaining 2020 Notes that were not purchased and cancelled pursuant to the cash tender offer, ViaSat deposited approximately \$287.4 million with Wilmington Trust, as trustee, as trust funds solely for the benefit of the holders of such 2020 Notes.

In connection with the deposit with Wilmington Trust of all funds required to complete the redemption in full of all of the remaining 2020 Notes that were not purchased and cancelled pursuant to the cash tender offer on the redemption date, the Indenture, dated as of February 27, 2012, by and among ViaSat, the Subsidiary Guarantors (as defined therein) and Wilmington Trust, as trustee, governing the 2020 Notes was satisfied and discharged in accordance with its terms, effective September 21, 2017. Wilmington Trust also serves as trustee under the Indenture governing the Notes, and from time to time may provide other financial services to ViaSat and its affiliates.

Each reference in this Indenture to authentication by the Trustee includes authentication by the Authenticating Agent.

(b) The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on the Notes and will promptly notify the Trustee of any default by the Company in making any such payment. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any payment default, upon written request to a Paying Agent, require the Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent will have no further liability for the money so paid over to the Trustee.

Section 2.04. *Replacement Notes.* If a mutilated Note is surrendered to the Trustee or the Company and the Trustee receive evidence to their satisfaction of the loss, destruction or

theft of any Note, the Company will issue and the Trustee will, upon receipt of an Authentication Order, authenticate a replacement Note of like tenor and principal amount and bearing a number not contemporaneously outstanding. Every replacement Note is an additional obligation of the Company and entitled to the benefits of this Indenture. The Holder must furnish an indemnity or security that is sufficient in the judgment of the Trustee to protect the Trustee and in the judgment of the Company to protect the Company, the Trustee and any Agent from any loss they may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their fees and expenses in replacing a Note, including any amounts to cover any tax, assessment. In case the mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay the Note instead of issuing a replacement Note. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate such replacement Note.

Section 2.05. *Outstanding Notes.* (a) Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for:

(1) Notes cancelled by the Trustee or delivered to it for cancellation;

(2) any Note which has been replaced pursuant to Section 2.04 unless and until the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser; and

(3) on or after the maturity date or any redemption date or date for purchase of the Notes pursuant to an Offer to Purchase, those Notes payable or to be redeemed or purchased on that date for which the Trustee (or Paying Agent, other than the Company or an Affiliate of the Company) holds money sufficient to pay Notes payable on that date.

(b) A Note does not cease to be outstanding because the Company or one of its Affiliates holds the Note, *provided* that in determining whether the Holders of the requisite principal amount of the outstanding Notes have given or taken any request, demand, authorization, direction, notice, consent, waiver or other action hereunder (other than in respect of any action pursuant to Section 9.02 that requires the consent of each Holder of an affected Note), Notes owned by the Company or any Affiliate of the Company will be disregarded and deemed not to be outstanding, (it being understood that in determining whether the Trustee is protected in relying upon any such request, demand, authorization, direction, notice, consent, waiver or other action, only Notes which the Trustee knows to be so owned will be so disregarded). Notes so owned which have been pledged in good faith shall not be so disregarded and shall be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Notes and that the pledgee is not the Company or any Affiliate of the Company.

Section 2.06. *Temporary Notes.* Until definitive Notes are ready for delivery, the Company may prepare and the Trustee will, upon receipt of an Authentication Order, authenticate temporary Notes. Temporary Notes will be substantially in the form of definitive Notes but may have insertions, substitutions, omissions and other variations determined to be appropriate by the Officer executing the temporary Notes, as evidenced by the execution of the

temporary Notes. If temporary Notes are issued, the Company will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes will be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company designated for the purpose pursuant to Section 4.02, without charge to the Holder. Upon surrender for cancellation of any temporary Notes the Company will execute and the Trustee will, upon receipt of an Authentication Order, authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged, the temporary Notes will be entitled to the same benefits under this Indenture as definitive Notes.

Section 2.07. *Cancellation.* The Company at any time may deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee for cancellation any Notes previously authenticated hereunder which the Company has not issued and sold. Any Registrar or the Paying Agent will forward to the Trustee any Notes surrendered to it for transfer, exchange or payment. The Trustee will cancel all Notes surrendered for transfer, exchange, payment, replacement or cancellation and dispose of all canceled Notes in accordance with its normal procedures. Upon the written request of the Company, the Trustee shall deliver copies of such canceled Notes to the Company. The Company may not issue new Notes to replace Notes it has paid in full or delivered to the Trustee for cancellation.

Section 2.08. *CUSIP and CINS Numbers.* The Company in issuing the Notes may use “CUSIP” and/or “CINS” numbers, and the Trustee will use CUSIP numbers or CINS numbers in notices of redemption or exchange or in Offers to Purchase as a convenience to Holders, the notice to state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange or Offer to Purchase. The Company will promptly notify the Trustee of any change in the CUSIP or CINS numbers.

Section 2.09. *Registration, Transfer and Exchange.* (a) The Notes will be issued in registered form only, without coupons. The Trustee shall maintain a register (the “**Register**”) of the Notes, for registering the record ownership of the Notes by the Holders and transfers and exchanges of the Notes.

(b) (1) The Notes shall initially be issued in the form of one or more Global Notes. Each Global Note will be registered in the name of the Depositary for such Global Note or its nominee and, so long as DTC is serving as the Depositary thereof, will bear the DTC Legend.

(2) Each Global Note will be delivered to the Trustee as custodian for the Depositary. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depositary, its successors or their respective nominees, except (i) as set forth in Section 2.09(b)(4), (ii) if the Company in its sole discretion determines that any Global Note (in whole but not in part) should be exchanged for Certificated Notes and delivers a written notice to such effect to the Trustee, and (iii) transfers of portions thereof in the form of Certificated Notes may be made upon request of an Agent Member (for itself or on behalf of a beneficial owner) if required to do so pursuant to any applicable law or regulation, by written notice given to

the Trustee by or on behalf of the Depositary in accordance with customary procedures of the Depositary and the Registrar and in compliance with this Section and Section 2.10.

(3) Members of, or Participants in, the Depositary (“**Agent Members**”) will have no rights under this Indenture with respect to any Global Note held on their behalf by the Depositary, or the Trustee as its custodian, and the Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever, including but not limited to notices and payments. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note. Notwithstanding anything to the contrary contained herein, any notice to be delivered to DTC (including, but not limited to, a notice of redemption) may be delivered electronically by the Trustee or the Company in accordance with applicable procedures of DTC.

(4) If (x) the Depositary notifies the Company that it is unwilling or unable to continue as Depositary for a Global Note and a successor depositary is not appointed by the Company within 120 days of the notice or (y) an Event of Default has occurred and is continuing and the Trustee has received a request from Holders of a majority of the aggregate principal amount of outstanding Notes, the Trustee will promptly exchange each beneficial interest in the Global Note for one or more Certificated Notes as provided by the Company in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depositary, and upon completion of full exchange of the positions in the Global Notes, the Global Note will be canceled. If such Global Note does not bear the Restricted Legend or the Regulation S Legend, as the case may be, then the Certificated Notes issued in exchange therefor will not bear the Restricted Legend or the Regulation S Legend, as the case may be. If such Global Note bears the Restricted Legend or the Regulation S Legend, as the case may be, then the Certificated Notes issued in exchange therefor will bear the Restricted Legend or the Regulation S Legend, as the case may be.

(c) Each Certificated Note will be registered in the name of the Holder thereof or its nominee.

(d) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Trustee a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by Section 2.10. The Trustee will promptly register any transfer or exchange that meets the requirements of this Section by noting the same in the register maintained by the Trustee for the purpose; *provided* that:

(x) no such transfer or exchange will be effective until it is registered in such register; and

(y) neither the Trustee nor the Company will be required (i) to issue, register the transfer of or exchange any Note for a period beginning (1) 15 days before the mailing of a notice of redemption of Notes or an Offer to Purchase or (2) 15 days before a selection of Notes to be redeemed or purchased pursuant to an Offer to Purchase, (ii) to register the transfer of or exchange any Note so selected for redemption or purchase in whole or in part, except, in the case of a partial redemption or purchase, that portion of any Note not being redeemed or purchased, or (iii) if a redemption or a purchase pursuant to an Offer to Purchase is to occur after a Regular Record Date but on or before the corresponding Interest Payment Date, to register the transfer of or exchange any Note on or after the Regular Record Date and before the date of redemption or purchase. Prior to the registration of any transfer, the Company, the Trustee and their agents may deem and treat the Person in whose name the Note is registered as the owner and Holder thereof for all purposes (whether or not the Note is overdue), including without limitation the transfer or exchange of such Note, and none of the Company, the Trustee or any Agent shall be affected by notice to the contrary.

(e) The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions hereof and the applicable procedures of the Depositary. No written request with respect to any such transfer shall be required to be delivered to the Trustee pursuant to Section 2.09(d) to effect the transfer of a beneficial interest in a Global Note to a Person who takes delivery thereof in the form of a beneficial interest in the same Global Note.

(f) From time to time the Company will execute and the Trustee will, upon receipt of an Authentication Order, authenticate Global Notes and Certificated Notes as necessary in order to permit the registration of a transfer or exchange in accordance with this Section 2.09.

(g) No service charge will be imposed in connection with any registration of any transfer or exchange of any Note, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than a transfer tax or other similar governmental charge payable upon exchange pursuant to subsection (b)(4)).

(h) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(i) (1) *Global Note to Global Note*. If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will,

upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) *Global Note to Certificated Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (x) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (y) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(3) *Certificated Note to Global Note.* If a Certificated Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Certificated Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

(4) *Certificated Note to Certificated Note.* If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

Section 2.10. *Restrictions on Transfer and Exchange.* (a) The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section, Section 2.09 and Section 2.11, and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of the Depository. The Trustee shall refuse to register any requested transfer or exchange that does not comply with the preceding sentence.

(b) Subject to paragraph (c), the transfer or exchange of any Note (or a beneficial interest therein) of the type set forth in column A below for a Note (or a beneficial interest therein) of the type set forth opposite in column B below may only be made in compliance with the certification requirements (if any) described in the clause of this Section 2.10(b) set forth opposite in column C below.

In addition, such notice of redemption may be extended, if such conditions shall not have been satisfied (or waived by the Company in its discretion) by providing notice to the Holders.

Section 3.02. *Mandatory Redemption.* The Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.03. *Method and Effect of Redemption.* (a) If the Company elects to redeem Notes pursuant to Section 3.01 or Section 4.14(f), it shall furnish to the Trustee, at least two Business Days (or such shorter period as the Trustee may agree) before the notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 3.01 or Section 4.14(f), an Officers' Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

(b) Notices of redemption must be delivered or mailed by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company, at least ten days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with the procedures of the Depository, except that, notwithstanding Section 3.01 and Section 4.14(f), redemption notices may be delivered or mailed more than 60 days prior to a redemption date if the notice is issued in connection with Article 8 or Article 11 hereof.

(c) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

(1) the redemption date;

(2) the redemption price;

(3) the name and address of the Paying Agent;

(4) Notes called for redemption must be surrendered to the Paying Agent in order to collect the redemption price;

(5) on the redemption date the redemption price will become due and payable on Notes called for redemption, and interest on Notes called for redemption will cease to accrue on and after the redemption date;

(6) if any Note is redeemed in part only, on or after the redemption date, upon surrender of such Note for cancellation, a new Note equal in principal amount to the unredeemed portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note; and

(7) if any Note contains a CUSIP or CINS number, no representation is being made as to the correctness of the CUSIP or CINS number either as printed on the Notes or as contained in the notice of redemption and that the Holder should rely only on the other identification numbers printed on the Notes.

(d) If fewer than all of the Notes are being redeemed, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed and in such manner as complies with applicable legal requirements and, in the case of Global Notes, the procedures of the Depositary; *provided* that the selection of Notes for redemption shall not result in a Holder with a principal amount of Notes less than the minimum denomination of \$2,000. In the event of partial redemption, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than ten nor more than 60 days prior to the redemption date by the Trustee from the outstanding Notes not previously called for redemption or purchase. The Trustee will notify the Company promptly of the Notes or portions of Notes selected for redemption, and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed.

(e) Once notice of redemption is delivered or mailed to the Holders in accordance with Section 3.03(b), Notes called for redemption become due and payable at the redemption price on the redemption date, and upon surrender of the Notes called for redemption, the Company shall redeem such Notes at the redemption price, subject in each case to the satisfaction or waiver of any conditions to such redemption set forth in the notice of redemption in the case of a conditional redemption pursuant to Section 3.01(g). Commencing on the redemption date, Notes redeemed will cease to accrue interest. A notice of redemption, if delivered or mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver or mail a

notice of redemption or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Upon surrender of any Note redeemed in part to the Trustee for cancellation, the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to the Holder a new Note equal in principal amount to the unredeemed portion of the surrendered Note; *provided* that each such new Note shall be in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate such new Note.

Section 3.04. *Offer to Purchase.* (a) An "**Offer to Purchase**" means an offer by the Company to purchase Notes that is required by Section 4.10 or Section 4.14. The Company will notify the Trustee at least two Business Days (or such shorter period as the Trustee may agree) prior to the commencement of an Offer to Purchase.

(b) The Company shall send or cause to be sent notices of an Offer to Purchase by first class mail, postage prepaid, or electronically, at least ten days but not more than 60 days before the purchase date to each Holder at such Holder's registered address or otherwise in accordance with the procedures of the Depository. The Offer to Purchase shall be made to all Holders and, to the extent required by the terms of other Pari Passu Indebtedness, holders of Pari Passu Indebtedness. The notice of an Offer to Purchase, if delivered or mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver or mail an Offer to Purchase or any defect in the notice to the Holder of any Note designated for purchase in whole or in part shall not affect the validity of the proceedings for the purchase of any other Note.

(c) The notice of an Offer to Purchase for an Asset Sale Offer must include or state the following:

(1) that an Asset Sale Offer is being made pursuant to this Indenture;

(2) the aggregate principal amount of the outstanding Notes and, if applicable, Pari Passu Indebtedness offered to be purchased by the Company pursuant to the Asset Sale Offer (the "**Purchase Amount**");

(3) the purchase price;

(4) an expiration date for the Offer to Purchase (the "**Expiration Date**") not less than ten days or more than 60 days after the commencement of the Asset Sale Offer, and a settlement date for purchase (the "**Purchase Date**") not more than five Business Days after the Expiration Date;

(5) a Holder may tender all or any portion of its Notes, subject to the requirement that any portion of a Note tendered must be in minimum amounts of \$2,000 and in integral multiples of \$1,000 in excess thereof only;

(6) each Holder electing to tender a Note pursuant to the Asset Sale Offer will be required to surrender such Note, with the form entitled "Option of Holder to Elect

Purchase” attached to the Note completed, or transfer by book-entry transfer, to the Company, the Depositary, if appointed by the Company, or a Paying Agent, as applicable, at the address specified in the notice, prior to the time specified in the notice on the Expiration Date in order to be accepted for purchase in the Offer to Purchase (any such Note being duly endorsed or accompanied by a duly executed written instrument of transfer);

(7) interest on any Note not tendered, or tendered but not accepted for purchase by the Company pursuant to the Offer to Purchase, will continue to accrue;

(8) on the Purchase Date the purchase price will become due and payable on each Note accepted for purchase, and interest on Notes purchased will cease to accrue on and after the Purchase Date;

(9) Holders are entitled to withdraw Notes tendered by giving notice, which must be received by the Company, the Depositary or the Paying Agent, as the case may be, not later than the time specified in the notice on the Expiration Date, setting forth the name of the Holder, the principal amount of the tendered Notes and a statement that the Holder is withdrawing its election to have such Notes purchased;

(10) (i) if Notes and, if applicable, Pari Passu Indebtedness in an aggregate principal amount less than or equal to the Purchase Amount are duly tendered or surrendered by the holders or lenders thereof and not duly withdrawn pursuant to the Offer to Purchase, the Company will purchase all such Notes, and (ii) if Notes and, if applicable, Pari Passu Indebtedness in an aggregate principal amount in excess of the Purchase Amount are duly tendered or surrendered by the holders or lenders thereof and not duly withdrawn pursuant to the Offer to Purchase, that the Trustee shall select the Notes to be purchased in the manner provided in this Indenture and, if applicable, the amount of Notes and Pari Passu Indebtedness accepted for purchase shall be determined on a pro rata basis based on the principal amount of Notes and Pari Passu Indebtedness accepted for purchase (with such adjustments as may be appropriate so that only Notes in minimum amounts of \$2,000 or in integral multiples of \$1,000 in excess thereof are purchased);

(11) if any Note is purchased in part only, on or after the Purchase Date, upon surrender of such Note for cancellation, a new Note or new Notes equal in principal amount to the unpurchased portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note; and

(12) if any Note contains a CUSIP or CINS number, no representation is being made as to the correctness of the CUSIP or CINS number either as printed on the Notes or as contained in the notice of the Offer to Purchase and that the Holder should rely only on the other identification numbers printed on the Notes.

(d) If any Note is to be purchased in part only pursuant to an Offer to Purchase, any notice of purchase from any Holder that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

(e) Prior to the purchase date, the Company shall accept validly tendered Notes for purchase as required by the Offer to Purchase and deliver or cause to be delivered to the Trustee all Notes so accepted together with an Officers' Certificate specifying which Notes have been accepted for purchase and directing the Trustee to cancel such Notes. On the purchase date, the purchase price will become due and payable on each Note accepted for purchase, and interest on Notes purchased will cease to accrue on and after the purchase date, subject in each case to the satisfaction or waiver of any conditions to such purchase set forth in the Offer to Purchase in the case of a conditional offer pursuant to Section 4.14(g). Upon surrender of any Note purchased in part to the Trustee for cancellation, the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to the Holder a new Note equal in principal amount to the unpurchased portion of the surrendered Note; *provided* that each such new Note shall be in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate such new Note.

(f) If fewer than all of the Notes are being purchased, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed (so long as the Trustee knows of such listing) and in such manner as complies with applicable legal requirements and, in the case of Global Notes, the procedures of the Depositary; *provided* that the selection of Notes for purchase shall not result in a Holder with a principal amount of Notes less than the minimum denomination of \$2,000. The Trustee will notify the Company promptly of the Notes or portions of Notes selected for purchase, and, in the case of any Note selected for partial purchase, the principal amount thereof to be purchased.

(g) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations, in each case to the extent such laws, rules or regulations are applicable in connection with the repurchase of Notes pursuant to the Offer to Purchase. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this covenant, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue thereof.

ARTICLE 4 COVENANTS

Section 4.01. *Payment of Notes.* (a) The Company agrees to pay the principal of, premium, if any, on and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary, holds as of noon (New York City time) on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

(b) The Company agrees to pay interest on overdue principal, and, to the extent lawful, overdue installments of interest at the rate per annum specified in the Notes.

(c) Payments in respect of the Notes represented by the Global Notes are to be made by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Company will make all payments by wire transfer of immediately available funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder's registered address.

Section 4.02. *Maintenance of Office or Agency.* (a) The Company shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or the Registrar) where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served; *provided* that legal service of process on the Company may not be served at any such office of the Trustee or an affiliate of the Trustee. The Company hereby initially designates the Corporate Trust Office of the Trustee as one such office or agency of the Company. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any or all of such purposes and may from time to time rescind such designations. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03. *Reports and Other Information.* (a) Notwithstanding that the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise reports on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Company shall (a) file with the SEC (unless the SEC will not accept such filing), and (b) deliver to the Trustee and, upon written request, the registered Holders of the Notes, without cost to any Holder, from and after the Issue Date:

(1) within the time periods specified by the Exchange Act (including all applicable extension periods), an annual report on Form 10-K (or any successor or comparable form) containing the information required to be contained therein in all material respects (or required in such successor or comparable form);

(2) within the time periods specified by the Exchange Act (including all applicable extension periods), a quarterly report on Form 10-Q (or any successor or comparable form); and

(3) all current reports that would be required to be filed with the SEC on Form 8-K (or any successor or comparable form).

(b) In the event that the Company is not permitted to file such reports with the SEC pursuant to the Exchange Act, the Company shall nevertheless deliver to the Trustee and make

available such Exchange Act reports to the registered Holders of the Notes as if the Company were subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act within the time periods specified by the Exchange Act (including all applicable extension periods), which requirement may be satisfied by posting such reports on its website within the time periods specified by this covenant.

(c) In addition, to the extent not satisfied by the foregoing, the Company shall, for so long as any Notes are outstanding, make available to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

(d) Delivery of such reports and information to the Trustee is for informational purposes only and the Trustee's receipt of them will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(e) The Company will be deemed to have satisfied the information and reporting requirements of this Section 4.03 if the Company (or any direct or indirect parent of the Company) has filed reports or registration statements containing such information with the SEC via the SEC's Electronic Data Gathering, Analysis and Retrieval system (or any successor system) within the time periods specified above and such reports are publicly available *provided, however*, that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been filed pursuant to such system (or its successor).

(f) Notwithstanding the foregoing, such reports and other information required to be provided pursuant to this Section 4.03 may be, rather than those of the Company, those of any direct or indirect parent of the Company.

Section 4.04. *Compliance Certificate.* (a) The Company shall deliver to the Trustee within 120 days after the end of each fiscal year ending after the Issue Date a certificate from the principal executive, financial or accounting officer of the Company stating that the officer has conducted or supervised a review of the activities of the Company and its Restricted Subsidiaries and their performance under this Indenture under the preceding fiscal year and that, based upon such review, to the best of his or her knowledge, the Company has fulfilled its obligations hereunder or, if there has been a Default of which he or she has knowledge, specifying the Default and its nature and what action the Company is taking or proposes to take with respect thereto.

(b) If any Default has occurred and is continuing under this Indenture, the Company shall deliver to the Trustee, as soon as possible and in any event within 30 days after the Company becomes aware of the occurrence of a Default, an Officers' Certificate specifying the Default, and what action the Company is taking or proposes to take with respect thereto.

Section 4.05. *Taxes.* The Company shall pay or discharge, and cause each of its Restricted Subsidiaries to pay or discharge before the same become delinquent all material taxes,

assessments and governmental charges levied or imposed upon the Company or any Restricted Subsidiary or its income or profits or property, , other than any such tax, assessment or governmental charge that is being contested in good faith by appropriate negotiations or proceedings or where the failure to effect such payment or discharge is not adverse in any material respect to the Holders of the Notes.

Section 4.06. *Stay, Extension and Usury Laws.* The Company and each Subsidiary Guarantor covenants, to the extent that it may lawfully do so, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. The Company and each Subsidiary Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.07. *Limitation on Restricted Payments.* (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution on account of the Company's or any of its Restricted Subsidiaries' Capital Stock (including any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) other than:

(x) dividends or distributions payable solely in Capital Stock of the Company (other than Disqualified Stock); and

(4) make any Restricted Investment;

(all such payments and other actions referred to in clauses (1) through (4) (other than any exception thereto) being collectively referred to as “**Restricted Payments**”), unless, at the time of and after giving effect to such Restricted Payment:

(b) Section 4.07(a) shall not prohibit:

(1) a Restricted Payment made by exchange for, or out of the proceeds of the issuance or sale of, Capital Stock of the Company (other than Disqualified Stock and other than Capital Stock issued or sold to a Subsidiary or an employee stock ownership plan or similar trust to the extent such sale to an employee stock ownership plan or similar trust is financed by loans from or Guaranteed by the Company or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination) or any cash capital contribution to the Company; *provided, however*, that the amount of net proceeds from such sale of Capital Stock that is utilized for such Restricted Payment will be excluded from clause (C)(ii) of Section 4.07(a);

provided, however, that at the time of and after giving effect to, any Restricted Payment permitted under clauses (5), (7), (8) and (14) of Section 4.07(b), no Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

If the Company or any Restricted Subsidiary makes a Restricted Payment that, at the time of the making of such Restricted Payment, in the good faith determination of the Company, would be permitted under this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustments made in good faith to the financial statements of the Company (or any direct or indirect parent of the Company) affecting Consolidated Net Income.

(e) For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Company and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments and/or Permitted Investments in an amount determined as set forth in the definition of "Investment." Such designation shall be permitted only if a Restricted Payment and/or Permitted Investment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Section 4.08. *Limitation on Restrictions on Distributions from Restricted Subsidiaries.* (a) The Company shall not, and shall not permit any Restricted Subsidiary (other than a Subsidiary Guarantor) to, directly or indirectly, create or otherwise cause or permit to exist or

(1) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or pay any Indebtedness owed to the Company or any Restricted Subsidiary (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);

(2) make any loans or advances to the Company or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(3) sell, lease or transfer any of its assets or property to the Company or any Restricted Subsidiary (it being understood that such transfers shall not include any type of transfer described in clause (1) or (2) above).

(b) Section 4.08(a) shall not apply to any encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions of the Company or any of its Restricted Subsidiaries in effect on the Issue Date, including, without limitation, pursuant to the Senior Credit Facility, the Ex-Im Credit Facility, related Swap Contracts and Indebtedness permitted pursuant to clause (3) of Section 4.09(b);

(2) this Indenture, the Notes and the Subsidiary Guarantees;

(3) any agreement or other instrument of a Person acquired by or merged, amalgamated or consolidated with or into the Company or any Restricted Subsidiary or of an Unrestricted Subsidiary that is designated a Restricted Subsidiary, in each case that was in existence at the time of such acquisition (or at the time it merges, amalgamates or consolidates with or into the Company or any Restricted Subsidiary or is assumed in connection with the acquisition of assets or property from such Person) or designation, but, in each case, not created in contemplation thereof, which encumbrance or restriction is not applicable to any Person, or the assets or property of any Person, other than the Person and its Subsidiaries, or the assets or property of the Person and its Subsidiaries, so acquired or designated (including after-acquired assets and property);

(4) in the case of clause (3) of Section 4.08(a), Permitted Liens or Liens otherwise permitted to be Incurred under the provisions of Section 4.12 that limit the right of the debtor to dispose of assets or property subject to such Liens;

(5) purchase money obligations, mortgage financings, Capitalized Lease Obligations and similar obligations or agreements permitted under this Indenture, in each case, that impose encumbrances or restrictions of the nature described in clause (3) of

Section 4.08(a) with respect to the assets or property purchased, acquired, financed, designed, developed, leased, constructed, repaired, replaced, maintained, installed, improved or insured in connection therewith or thereby (including any proceeds thereof, accessions thereto and any upgrades or improvements thereto);

(6) encumbrances or restrictions contained in agreements for the sale, transfer or other disposition of assets or property, including without limitation customary restrictions with respect to a Subsidiary of the Company pursuant to an agreement that has been entered into for the sale, transfer or other disposition of all or a portion of the Capital Stock, assets or property of such Subsidiary;

(7) restrictions on cash, Cash Equivalents or other deposits or net worth imposed by customers, suppliers or landlords under contracts entered into in the ordinary course of business or as required by insurance surety or bonding companies;

(8) any provisions in joint venture agreements, stockholders agreements, partnership agreements, LLC agreements and other similar agreements, which (x) are customary or (y) do not adversely affect the Company's ability to make payments of principal or interest payments on the Notes when due (as determined by the Company in good faith);

(9) any provisions in leases, subleases, licenses, sublicenses, asset sale agreements, sale/leaseback agreements or stock sale agreements and other agreements entered into by the Company or any Restricted Subsidiary that (x) are customary and entered into in the ordinary course of business or (y) do not adversely affect the Company's ability to make payments of principal or interest payments on the Notes when due (as determined by the Company in good faith);

(10) applicable law or any applicable rule, regulation or order, or any license, permit or other authorization issued by any governmental or regulatory authority;

(11) encumbrances or restrictions arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, (x) detract from the value of the assets or property of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary (as determined by the Company in good faith), or (y) materially affect the Company's ability to make payments of principal or interest payments on the Notes when due (as determined by the Company in good faith);

(12) contractual encumbrances or restrictions contained in any Debt Facilities or other Indebtedness Incurred by the Company in accordance with Section 4.09 that (x) are not materially more restrictive, when taken as a whole, than those applicable in either this Indenture or the Senior Credit Facility on the Issue Date (as determined by the Company in good faith), or (y) do not adversely affect the Company's ability to make payments of principal or interest payments on the Notes when due (as determined by the Company in good faith); or

(13) any encumbrances or restrictions imposed by any amendment, restatement, modification, renewal, increase, supplement, extension, refunding, replacement or refinancing of any of the contracts, agreements or other instruments referred to in the immediately preceding clauses (1) through (12) of this Section 4.08(b); *provided, however*, that the encumbrances or restrictions contained in such amendment, restatement, modification, renewal, increase, supplement, extension, refunding, replacement or refinancing are, in the good faith judgment of the Company, not materially more restrictive, when taken as a whole, than the encumbrances and restrictions prior to such amendment, restatement, modification, renewal, increase, supplement, extension, refunding, replacement or refinancing.

Section 4.09. *Limitation on Indebtedness.* (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness); *provided, however*, that the Company and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness) if the Consolidated Coverage Ratio for the Company, calculated as of the date on which such additional Indebtedness is incurred, would have been at least 2.00 to 1.00 (“**Ratio Debt**”); *provided* that the aggregate principal amount of Indebtedness (including Acquired Indebtedness) outstanding at any one time that may be incurred pursuant to the foregoing by Non-Guarantor Subsidiaries shall not exceed the greater of (x) \$200.0 million or (y) 25.0% of the Consolidated EBITDA of the Company for the most recently ended four consecutive fiscal quarters for which internal financial statements prepared on a consolidated basis are available, calculated on a Pro Forma Basis.

(b) Section 4.09(a) shall not apply to the following Indebtedness (collectively, “**Permitted Debt**”):

(1) Indebtedness of the Company or any Restricted Subsidiary incurred under a Debt Facility, the Guarantees thereof and the issuance and creation of letters of credit and bankers’ acceptances thereunder (with letters of credit and bankers’ acceptances being deemed to have a principal amount equal to the face amount thereof), in an aggregate principal amount outstanding at any one time not to exceed (A) the greater of (x) \$1,000.0 million and (y) 250.0% of the Consolidated EBITDA of the Company for the most recently ended four consecutive fiscal quarters for which internal financial statements prepared on a consolidated basis are available, calculated on a Pro Forma Basis (with any amounts incurred pursuant to subclause (B) hereof reducing the amount permitted to be incurred under this subclause (A)) or (B) an unlimited amount, so long as the Consolidated Senior Secured Debt Ratio does not exceed 3.50 to 1.00; *provided*, that, solely for purposes of calculating the Consolidated Senior Secured Debt Ratio under this clause (1), any outstanding Indebtedness incurred under this clause (1) that is unsecured shall nevertheless be deemed to be secured by a Lien; and *provided further*, that the maximum amount permitted to be outstanding under this clause (1) shall not be deemed to limit additional Indebtedness under Debt Facilities to the extent that the incurrence of such additional Indebtedness is permitted pursuant to Section 4.09(a) or any of the other provisions of this Section 4.09;

(2) Indebtedness represented by the Notes (other than any Additional Notes), including any Subsidiary Guarantee thereof;

(3) Indebtedness of the Company and its Restricted Subsidiaries in existence on the Issue Date (other than Indebtedness described in clauses (1), (2), (4), (5) and (7) that is Incurred or existing on the Issue Date);

(4) Indebtedness (including, without limitation, Capitalized Lease Obligations, mortgage financings and purchase money obligations) Incurred by the Company or any of its Restricted Subsidiaries to finance all or any part of the purchase, acquisition, design, development, lease, construction, replacement, maintenance, installation, improvement or insurance of any property (real or personal), plant or equipment or other fixed or capital assets (whether through the direct purchase of assets or property or the Capital Stock of any Person owning any such assets or property) or any satellite launch or in-orbit insurance premiums or launch services, and any Indebtedness arising from the conversion of the obligations of the Company or any Restricted Subsidiary under or pursuant to any "synthetic lease" transactions to on-balance sheet Indebtedness, including all Indebtedness Incurred to refund, refinance, replace, redeem, repurchase, retire, defease, discharge, exchange, renew, repay, prepay or extend any Indebtedness Incurred pursuant to this clause (4), in an aggregate principal amount outstanding at any one time not to exceed (A) the greater of (x) \$300.0 million and (y) 10.0% of Total Assets, *plus*, in the case of any refinancing or replacement of Indebtedness permitted under this clause (4) or any portion thereof, the aggregate amount of fees, underwriting discounts, accrued and unpaid interest, original issue discount, premiums (including tender premiums), defeasance costs and other costs and expenses incurred in connection therewith (with any amounts Incurred pursuant to subclause (B) hereof reducing the amount permitted to be Incurred under this subclause (A)) or (B) an unlimited amount, so long as the Consolidated Senior Secured Debt Ratio does not exceed 3.50 to 1.00; *provided*, that, solely for purposes of calculating the Consolidated Senior Secured Debt Ratio under this clause (4), any outstanding Indebtedness Incurred under this clause (4) that is unsecured shall nevertheless be deemed to be secured by a Lien;

(5) ECA Indebtedness Incurred by the Company or any of its Restricted Subsidiaries, including all Indebtedness Incurred to refund, refinance, replace, redeem, repurchase, retire, defease, discharge, exchange, renew, repay, prepay or extend any Indebtedness Incurred pursuant to this clause (5), in an aggregate principal amount outstanding at any one time not to exceed (A) the greater of (x) \$100.0 million and (y) 30.0% of the Consolidated EBITDA of the Company for the most recently ended four consecutive fiscal quarters for which internal financial statements prepared on a consolidated basis are available, calculated on a Pro Forma Basis, *plus*, in the case of any refinancing or replacement of Indebtedness permitted under this clause (5) or any portion thereof, the aggregate amount of fees, underwriting discounts, accrued and unpaid interest, original issue discount, premiums (including tender premiums), defeasance costs and other costs and expenses incurred in connection therewith (with any amounts Incurred pursuant to subclause (B) hereof reducing the amount permitted to be Incurred under this subclause (A)) or (B) an unlimited amount, so long as the Consolidated Senior Secured Debt Ratio does not exceed 3.50 to 1.00; *provided*, that, solely for purposes of

calculating the Consolidated Senior Secured Debt Ratio under this clause (5), any outstanding Indebtedness Incurred under this clause (5) that is unsecured shall nevertheless be deemed to be secured by a Lien; and *provided further*, that the maximum amount permitted to be outstanding under this clause (5) shall not be deemed to limit additional ECA Indebtedness to the extent that the Incurrence of such additional ECA Indebtedness is permitted pursuant to Section 4.09(a) or any of the other provisions of this covenant;

(6) any Guarantee by the Company or a Restricted Subsidiary of Indebtedness or any other obligation of the Company or any Restricted Subsidiary so long as the Incurrence of such Indebtedness or other obligation by the Company or such Restricted Subsidiary is permitted under the terms of this Indenture;

(7) Indebtedness of the Company owing to a Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to the Company or another Restricted Subsidiary; *provided, however*,

(A) if the Company or a Subsidiary Guarantor Incurs such Indebtedness owing to a Non-Guarantor Subsidiary, such Indebtedness is subordinated in right of payment to the Company's Obligations with respect to this Indenture or the Subsidiary Guarantee of such Subsidiary Guarantor, as applicable; and

(B) (i) any subsequent issuance or transfer of Capital Stock or other event which results in any such Indebtedness being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company; and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary of the Company, will be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be.

(8) shares of Preferred Stock of a Restricted Subsidiary issued to the Company or to another Restricted Subsidiary; *provided*, that any subsequent issuance or transfer of Capital Stock or other event which results in any Restricted Subsidiary that holds such Preferred Stock ceasing to be a Restricted Subsidiary or any subsequent transfer of any such shares of Preferred Stock (except to the Company or another Restricted Subsidiary) shall be deemed, in each case, to constitute an issuance of Preferred Stock;

(9) Indebtedness (x) (i) of the Company or a Restricted Subsidiary Incurred or assumed in connection with the acquisition of any assets or property (including Capital Stock), business or Person or (ii) of any Person that is acquired by the Company or a Restricted Subsidiary or merged into or consolidated or amalgamated with the Company or a Restricted Subsidiary in accordance with the terms of this Indenture and (y) Incurred or assumed in anticipation of, or in connection with, an acquisition of any assets or property (including Capital Stock), business or Person; *provided, however*, that after

giving effect to such acquisition, merger, consolidation or amalgamation and the Incurrence of such Indebtedness, either:

(A) the Company would be permitted to Incur at least \$1.00 of additional Indebtedness as Ratio Debt; or

(B) the Consolidated Coverage Ratio of the Company is equal to or greater than such ratio immediately prior to such acquisition, merger, consolidation or amalgamation;

(10) Swap Contracts or Cash Management Services not Incurred for speculative purposes;

(11) obligations (including, without limitation, reimbursement obligations with respect to letters of credit or bank guarantees or similar instruments) in respect of customs, self-insurance, performance, bid, appeal, surety and similar bonds and completion or performance guarantees and similar obligations provided by the Company or any Restricted Subsidiary;

(12) Indebtedness Incurred by the Company or any of its Restricted Subsidiaries in respect of workers' compensation claims, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance or self-insurance, self-insurance, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance, and any letters of credit or performance or surety bonds functioning as or supporting any of the foregoing;

(13) the Incurrence of Indebtedness of the Company or a Restricted Subsidiary providing for indemnification, earn-outs, adjustments of purchase or acquisition price or similar obligations, in each case Incurred or assumed in connection with the acquisition or disposition of any business, assets or property of the Company or any business, assets, property or Capital Stock of a Subsidiary, other than Guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets, property or a Subsidiary for the purpose of financing such acquisition;

(14) Indebtedness (A) arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business or (B) owed or issued on a short-term basis to banks and other financial institutions in the ordinary course of business that arises in connection with ordinary banking arrangements, including cash management, cash pooling arrangements and related activities to manage cash balances of the Company and its Subsidiaries and Permitted Joint Ventures, including treasury, depository, overdraft, credit, purchasing or debit card, electronic funds transfer and other cash management arrangements and Indebtedness in respect of netting services, overdraft protection, credit card programs, automatic clearinghouse arrangements and similar arrangements;

(15) the Incurrence by the Company or any Restricted Subsidiary of Refinancing Indebtedness that serves to refund, refinance, replace, redeem, repurchase, retire, defease, discharge, exchange, renew, repay, prepay or extend, and is in an aggregate principal amount (or, if issued with original issue discount, an aggregate issue price) that is equal to or less than, any Indebtedness Incurred as Ratio Debt or permitted under clauses (2), (3), (9) and this clause (15), *plus* any additional Indebtedness Incurred to pay the aggregate amount of fees, underwriting discounts, accrued and unpaid interest, original issue discount, premiums (including tender premiums), defeasance costs and other costs and expenses incurred in connection therewith;

(16) Indebtedness of a Permitted Joint Venture to the Company or a Restricted Subsidiary and to the other holders of Capital Stock of, or participants in, such Permitted Joint Venture, so long as the percentage of the aggregate amount of such Indebtedness owed to such holders of its Capital Stock or such participants does not exceed the percentage of the aggregate outstanding amount of Capital Stock of such Permitted Joint Venture held by such holders or such participants' participation in such Permitted Joint Venture;

(17) (A) customer deposits and advance payments received in the ordinary course of business from customers for equipment, goods or services purchased or leased in the ordinary course of business, (B) Guarantees in the ordinary course of business in respect of obligations to suppliers, customers, franchisees, lessors, licensees, sub-licensees and distribution partners and (C) Indebtedness consisting of the financing of insurance premiums or take-or-pay obligations contained in supply arrangements, in each case in the ordinary course of business;

(18) Indebtedness Incurred by the Company or its Restricted Subsidiaries in connection with bankers' acceptances, discounted bills of exchange, warehouse receipts or similar facilities, in each case Incurred or undertaken in the ordinary course of business;

(19) Replacement Satellite Vendor Indebtedness in an aggregate principal amount outstanding at any one time not to exceed the greater of (x) \$25.0 million and (y) 2.5% of Total Assets;

(20) Indebtedness not exceeding the amount incurred to finance the purchase of real property constituting certain portions of the Company's headquarters in Carlsbad, California acquired by the Company or any of its Restricted Subsidiaries for use in the business of the Company or any of its Restricted Subsidiaries in an aggregate principal amount outstanding at any one time not to exceed \$50.0 million;

(21) Indebtedness Incurred by the Company or any Restricted Subsidiary arising from the factoring or securitizing of accounts receivable in the ordinary course of business in an aggregate principal amount outstanding at any one time not to exceed the greater of (x) \$75.0 million or (y) 20.0% of the Consolidated EBITDA of the Company for the most recently ended four consecutive fiscal quarters for which internal financial statements prepared on a consolidated basis are available;

(22) in addition to the items referred to in clauses (1) through (21) above, Indebtedness of the Company and its Restricted Subsidiaries in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (22) and then outstanding, will not exceed the greater of (x) \$100.0 million and (y) 30.0% of the Consolidated EBITDA of the Company for the most recently ended four consecutive fiscal quarters for which internal financial statements prepared on a consolidated basis are available, calculated on a Pro Forma Basis; and

(23) Indebtedness to the extent that the net proceeds thereof are promptly deposited to defease or to satisfy and discharge the Notes.

The Company shall not Incur any Indebtedness under Section 4.09(b) if the proceeds thereof are used, directly or indirectly, to refinance any Subordinated Obligations of the Company unless such Indebtedness will be subordinated to the Notes to at least the same extent as such Subordinated Obligations. No Subsidiary Guarantor will Incur any Indebtedness under Section 4.09(b) if the proceeds thereof are used, directly or indirectly, to refinance any Guarantor Subordinated Obligations of such Subsidiary Guarantor unless such Indebtedness shall be subordinated to the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee to at least the same extent as such Guarantor Subordinated Obligations. No Non-Guarantor Subsidiary may Incur any Indebtedness if the proceeds are used to refinance Indebtedness of the Company or a Subsidiary Guarantor.

(c) For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or is entitled to be Incurred or issued as Ratio Debt, the Company, in its sole discretion, will divide, classify or reclassify such item of Indebtedness (or any portion thereof) on the date of Incurrence, and may at any later time and from time to time divide, classify or reclassify such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 4.09; *provided* that all Indebtedness outstanding on the Issue Date under the Senior Credit Facility shall be deemed Incurred on the Issue Date under clause (1) of Section 4.09(b) and not as Ratio Debt or under clause (3) of Section 4.09(b) and may not later be reclassified; *provided further* that all ECA Indebtedness outstanding on the Issue Date shall be deemed Incurred on the Issue Date under clause (5) of Section 4.09(b) and not as Ratio Debt or under clause (3) of Section 4.09(b), except that the Company may at any later time and from time to time divide, classify or reclassify such ECA Indebtedness (or any portion thereof) under any of clauses (1), (4) or (5) of Section 4.09(b) (but that such ECA Indebtedness may not otherwise later be reclassified);

(2) Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this covenant;

(3) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Non-Guarantor Subsidiary, will be deemed to be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof, exclusive of any accrued dividends;

(4) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP;

(5) accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant;

(6) the amount of any Indebtedness outstanding as of any date shall be (i) the accreted value thereof in the case of any Indebtedness issued with original issue discount or the aggregate principal amount outstanding in the case of Indebtedness issued with interest payable in kind and (ii) the principal amount or liquidation preference thereof in the case of any other Indebtedness; and

(7) the principal amount of any Indebtedness Incurred to refinance or replace other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced or replaced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

Unsecured Indebtedness shall not be treated as subordinated or junior to Secured Indebtedness merely because it is unsecured and Indebtedness shall not be treated as subordinated or junior to any other Indebtedness merely because it has a junior priority with respect to the same collateral.

If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.09, the Company shall be in Default of this Section 4.09).

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or first committed or first Incurred (whichever yields the lower U.S. dollar-equivalent), in the case of revolving credit Indebtedness; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the

applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced (plus accrued and unpaid interest and the aggregate amount of premiums (including tender premiums), underwriting discounts, defeasance costs and fees, discounts and expenses in connection therewith).

Section 4.10. *Limitation on Asset Sales.* (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate any Asset Sale unless:

(1) the Company or any of its Restricted Subsidiaries, as the case may be, receives consideration at least equal to the Fair Market Value (as determined at the time of contractually agreeing to such Asset Sale) of the Capital Stock, assets or property sold or otherwise disposed of pursuant to such Asset Sale; and

(2) except in the case of a Permitted Asset Swap, at least 75.0% of the consideration from such Asset Sale received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents or Replacement Assets; *provided*, that the amount of:

(A) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto for which internal financial statements are available immediately preceding such date or, if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Company's or such Restricted Subsidiary's balance sheet or in the notes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet in the good faith determination of the Company) of the Company or any Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes) that are extinguished in connection with the transactions relating to such Asset Sale, or that are assumed by the transferee of any such assets, property or Capital Stock, in each case, pursuant to an agreement that releases or indemnifies the Company or such Restricted Subsidiary, as the case may be, from further liability therefor;

(B) any securities, notes or other obligations or other assets or property received by the Company or any Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case within 180 days following the receipt thereof; and

(C) any Designated Noncash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Noncash Consideration received pursuant to this subclause (C) that is at that time outstanding, not to exceed the greater of (x) \$100.0 million and (y) 5.0% of Total Assets, calculated

at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received without giving effect to subsequent changes in value);

shall each be deemed to be Cash Equivalents for the purposes of this clause (2).

Notwithstanding the foregoing, the 75.0% limitation referred to in clause (2) of this Section 4.10(a) shall be deemed satisfied with respect to any Asset Sale in which the cash, Cash Equivalents and Replacement Assets portion of the consideration received therefrom, determined in accordance with the foregoing provision on an after-tax basis, if the proceeds before tax would have complied with the aforementioned 75.0% limitation.

(b) Within 365 days after the Company's or any Restricted Subsidiary's receipt of the Net Cash Proceeds of any Asset Sale, the Company or a Restricted Subsidiary, at its option, may apply an amount equal to the Net Cash Proceeds from such Asset Sale (or any portion thereof) as follows:

(1) to repay, prepay, defease, redeem, reduce, purchase or otherwise retire (and to correspondingly reduce commitments with respect thereto in the case of revolving borrowings): (x) Indebtedness or other obligations under the Senior Credit Facility or the Ex-Im Credit Facility, (y) Indebtedness of the Company (other than any Disqualified Stock or Subordinated Obligations) that is secured by a Lien (other than Indebtedness owed to an Affiliate of the Company) or (z) Indebtedness of a Restricted Subsidiary (other than any Disqualified Stock or Guarantor Subordinated Obligations) that is secured by a Lien (other than Indebtedness owed to the Company or an Affiliate of the Company);

(2) in the case of an Asset Sale by a Restricted Subsidiary that is a Non-Guarantor Subsidiary, to repay, prepay, defease, redeem, reduce, purchase or otherwise retire (and to correspondingly reduce commitments with respect thereto in the case of revolving borrowings) Indebtedness of such Restricted Subsidiary or any other Restricted Subsidiary that is a Non-Guarantor Subsidiary;

(3) to repay, prepay, defease, redeem, reduce, purchase or otherwise retire (and to correspondingly reduce commitments with respect thereto in the case of revolving borrowings) any other Indebtedness of the Company (other than any Disqualified Stock or Subordinated Obligations) or Indebtedness of a Restricted Subsidiary (other than any Disqualified Stock or Guarantor Subordinated Obligations) (in each case other than Indebtedness owed to the Company or an Affiliate of the Company); *provided* that the Company shall equally and ratably reduce obligations, under the Notes as provided under Section 3.01, through open market purchases (to the extent such purchases are at or above 100.0% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes at 100.0% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, on the amount of Notes that would otherwise be prepaid;

(4) to make an investment in, purchase or otherwise acquire any one or more businesses, assets (other than working capital assets), properties or capital expenditures, in each case used or useful in a Similar Business or to make payments (including without limitation prepayments and progress payments) in connection with such investment, purchase or other acquisition; *provided*, that if such investment, purchase or acquisition is in the form of the acquisition of Capital Stock of a Person, such investment, purchase or acquisition results in such Person becoming a Restricted Subsidiary;

(5) to make an investment in, purchase or otherwise acquire any one or more businesses, assets (other than working capital assets) or properties that replace the businesses, assets and/or properties that are the subject to such Asset Sale; or

(6) any combination of the foregoing;

provided, that the Company and its Subsidiaries will be deemed to have complied with the provisions described in clause (4) or (5) of this Section 4.10(b) if and to the extent that, within 365 days after the Company's or any Restricted Subsidiary's receipt of such Net Cash Proceeds, the Company or a Restricted Subsidiary, as applicable, has entered into and not abandoned or rejected a binding agreement to make an investment, purchase or other acquisition in compliance with the provision described in clause (4) or (5) of this Section 4.10(b), and that investment, purchase or other acquisition is thereafter completed within 180 days after the end of such 365-day period.

(c) Notwithstanding the foregoing, to the extent that repatriation to the United States of any or all of the Net Cash Proceeds of any Asset Sales by a Foreign Subsidiary (x) is prohibited or delayed by applicable local law or (y) would have a material adverse tax consequence (taking into account any foreign tax credit or other net benefit actually realized in connection with such repatriation that would not otherwise be realized), as determined by the Company in its sole discretion, the portion of such Net Cash Proceeds so affected will not be required to be applied in compliance with this covenant, and such amounts may be retained by the applicable Foreign Subsidiary; *provided* that clause (x) of this paragraph shall apply to such amounts so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Company hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law and is not subject to clause (y) of this paragraph, then, such repatriation will be promptly effected and such repatriated Net Cash Proceeds will be applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this covenant. The time periods set forth in this covenant shall not start until such time as the Net Cash Proceeds may be repatriated (whether or not such repatriation actually occurs).

(d) Pending the final application of any such Net Cash Proceeds, the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness (including under a revolving Debt Facility) or otherwise invest or utilize such Net Available Cash in any manner not prohibited by this Indenture. Any amount of Net Cash Proceeds from any Asset Sale that is not applied or invested as provided and within the time period set forth in Section 4.10(b) will be deemed to

constitute “**Excess Proceeds**”; *provided*, that any amount of proceeds offered to Holders pursuant to clause (3) of Section 4.10(b) or pursuant to an Asset Sale Offer made at any time after the Asset Sale shall be deemed to have been applied as required and shall not be deemed to be Excess Proceeds without regard to the extent to which such offer is accepted by the Holders. When the aggregate amount of Excess Proceeds exceeds \$50.0 million, the Company will be required to make an offer (“**Asset Sale Offer**”) to all Holders of Notes and, to the extent required by the terms of other Pari Passu Indebtedness, to all holders of other Pari Passu Indebtedness outstanding with similar provisions requiring the Company (or the Subsidiary Guarantor, as applicable) to make an offer to purchase such Pari Passu Indebtedness with the proceeds from any Asset Sale, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Sale Offer applies that may be purchased out of the Excess Proceeds, at an offer price in cash in an amount equal to 100.0% of the principal amount of the Notes and Pari Passu Indebtedness plus accrued and unpaid interest to (but not including) the date of purchase (or such lesser price with respect to the Pari Passu Indebtedness, if any, as may be provided by the terms of such Indebtedness), in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable.

(e) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so properly tendered and not withdrawn pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds (any such amount, “**Retained Declined Proceeds**”) for any purpose not prohibited by this Indenture. If the aggregate principal amount of Notes surrendered by Holders thereof and other Pari Passu Indebtedness surrendered by Holders or lenders, collectively, exceeds the amount of Excess Proceeds, selection of Notes for purchase will be made by the Trustee in accordance with Section 3.04(f). Upon completion of such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

Section 4.11. *Limitation on Affiliate Transactions.* (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including for the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company involving aggregate consideration in excess of \$40.0 million (an “**Affiliate Transaction**”) *unless*:

(1) the terms of such Affiliate Transaction are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, when taken as a whole, than those that would have been obtained by the Company or such Restricted Subsidiary in a comparable transaction at the time of such transaction on an arm’s-length basis with a Person who is not an Affiliate (as determined in good faith by the Company); and

(2) in the event such Affiliate Transaction involves an aggregate consideration in excess of \$100.0 million, the terms of such transaction have been approved by a majority of the disinterested members of the Board of Directors of the Company and the Board of the Directors of the Company shall have determined in good faith that such Affiliate Transaction satisfies the criteria in clause (1) above.

(b) Section 4.11(a) shall not apply to:

(1) (i) any transaction between or among the Company and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction) or (ii) guarantees issued by the Company or a Restricted Subsidiary for the benefit of the Company or a Restricted Subsidiary in compliance with Section 4.09, as applicable;

(2) any Restricted Payments permitted by this Indenture or any Permitted Investments;

(3) any employment, consulting, service or termination agreement, or indemnification arrangement, entered into by the Company or a Restricted Subsidiary with a future, current or former director, officer, employee, manager, consultant or independent contractor of the Company or a Restricted Subsidiary (or any direct or indirect parent of the Company to the extent such agreements or arrangements are in respect of services performed for the Company or any of its Restricted Subsidiaries); the payment of compensation or expense reimbursement to any future, current or former director, officer, employee, manager, consultant or independent contractor of the Company or a Restricted Subsidiary (including amounts paid pursuant to any benefit plan or arrangement, any health, disability or similar insurance plan or any stock option, employee stock purchase or similar plans); or any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment agreements and other compensation arrangements, options to purchase Capital Stock of the Company, subscription agreements, restricted stock plans, restricted stock unit plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits plans and/or indemnity provided on behalf of future, current or former directors, officers, employees, managers, consultants or independent contractors of the Company or a Restricted Subsidiary, in each case in the ordinary course of business or as otherwise approved by the Board of Directors of the Company or any direct or indirect parent of the Company;

(4) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to employees, officers, directors, managers, consultants or independent contractors for bona fide business purposes or in the ordinary course of business, in an aggregate amount not in excess of \$25.0 million outstanding at any time;

(5) any agreement or arrangement as in effect as of the Issue Date (as such agreement or arrangement may be amended, modified, supplemented, extended, renewed or replaced from time to time, so long as any such amendment, modification, supplement, extension, renewal or replacement, when taken as a whole, is not materially more disadvantageous to the Holders (as determined in good faith by the Company) than the terms of the original agreement or arrangement in effect on the Issue Date) or any transaction contemplated thereby;

(6) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by or merged, amalgamated or consolidated with or into the Company or a Restricted Subsidiary, as such agreement may be amended, modified, supplemented, extended or renewed from time to time; *provided* that such

agreement was not entered into contemplation of such acquisition, merger or consolidation, and so long as any such amendment, modification, supplement, extension or renewal, when taken as a whole, is not materially more disadvantageous to the Holders than the applicable agreement as in effect on the date of such acquisition, merger or consolidation (as determined in good faith by the Company);

(7) transactions with customers, clients, suppliers, joint venture partners or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, in each case which are fair to the Company and its Restricted Subsidiaries or are on terms that are not materially less favorable, when taken as a whole, to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unaffiliated party (as determined in good faith by the Company);

(8) any transaction with a Permitted Joint Venture or Unrestricted Subsidiary that is (i) in the ordinary course of business or (ii) in the best interests of the Company and its Restricted Subsidiaries and does not affect the Company's ability to make payments of principal or interest payments on the Notes when due (as determined in good faith by the Company);

(9) any joint venture agreements, stockholders agreements, partnership agreements, LLC agreements and other similar agreements with respect to any Permitted Joint Venture;

(10) any transaction with a Person (other than an Unrestricted Subsidiary) that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns Capital Stock of or otherwise controls such Person; *provided* that no Affiliate of the Company or any of its Subsidiaries (other than the Company or a Restricted Subsidiary) shall have a beneficial interest or otherwise participate in such Person;

(11) transactions between the Company or any of its Restricted Subsidiaries and any Person that would constitute an Affiliate Transaction solely because such Person is a director, or such Person has a director who is also a director, of the Company or any direct or indirect parent of the Company; *provided, however*, that such director abstains from voting as a director of the Company or such direct or indirect parent of the Company, as the case may be, on any matter involving such other Person;

(12) any issuance or sale of Capital Stock (other than Disqualified Stock) to Affiliates of the Company and the granting of registration and other customary rights with respect thereto;

(13) transactions in which the Company or any Restricted Subsidiary delivers to the Trustee a letter or opinion from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable, when taken as a whole,

than those that might reasonably have been obtained by the Company or such Restricted Subsidiary in a comparable transaction at such time on an arms-length basis from a Person that is not an Affiliate; and

(14) intercompany transactions undertaken in good faith for the purpose of improving the consolidated tax efficiency of the Company and the Restricted Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture.

Section 4.12. *Limitation on Liens.* (a) The Company shall not, and shall not permit any of its Subsidiary Guarantors to, directly or indirectly, create or incur any Lien securing Indebtedness (other than Permitted Liens) upon any asset or property of the Company or a Subsidiary Guarantor or proceeds thereof, unless:

(1) in the case of Liens securing Subordinated Obligations or Guarantor Subordinated Obligations, the Notes and any Subsidiary Guarantees are secured by a Lien on such assets or property and the proceeds thereof that is senior in priority to such Liens; or

(2) in all other cases, the Notes and any Subsidiary Guarantee are secured by a Lien on such assets or property and the proceeds thereof equally and ratably with or prior to such Liens.

(b) Any Lien that is granted to secure the Notes and any Subsidiary Guarantee pursuant to Section 4.12(a) shall be automatically and unconditionally released and discharged at the same time as the release and discharge of the Lien that gave rise to the obligation to secure the Notes or the Subsidiary Guarantee under Section 4.12(a).

Section 4.13. *Existence.* The Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence and the existence of each of its Restricted Subsidiaries in accordance with their respective organizational documents (as the same may be amended from time to time), and the material rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries, *provided* that the Company is not required to preserve any such right, license or franchise, or the existence of any Restricted Subsidiary, in each case if the Company in good faith shall determine that the maintenance or preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries taken as a whole; and *provided further* that this Section does not prohibit any transaction otherwise permitted by Section 4.07 or Article 5.

Section 4.14. *Offer to Repurchase Upon a Change of Control.*

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company has previously or concurrently exercised its right to redeem all of the Notes pursuant to Section 3.01, each Holder shall have the right to require the Company to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101.0% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on an Interest Payment Date falling on or prior to the date of purchase).

(b) Prior to or within 30 days following any Change of Control Triggering Event, unless the Company has previously or concurrently exercised its right to redeem all of the Notes pursuant to Section 3.01, the Company shall deliver a notice (the “**Change of Control Offer**”) to each Holder or otherwise give notice in accordance with the applicable procedures of the Depositary, with a copy to the Trustee, stating:

(1) that a Change of Control Triggering Event has occurred or, if the Change of Control Offer is being made in advance of a Change of Control Triggering Event, that a Change of Control Triggering Event is expected to occur, and that such Holder has, or upon such occurrence will have, the right to require the Company to purchase such Holder’s Notes at a purchase price in cash equal to 101.0% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on a Regular Record Date to receive interest on the relevant Interest Payment Date) (the “**Change of Control Payment**”);

(2) the repurchase date (which shall be no earlier than ten days nor later than 60 days from the date such notice is delivered) (the “**Change of Control Payment Date**”);

(3) if such notice is delivered prior to the occurrence of a Change of Control or Change of Control Triggering Event, that the Change of Control Offer is conditional on the occurrence of a Change of Control Triggering Event; and

(4) the procedures determined by the Company, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased. On the Change of Control Payment Date, the Company shall, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(2) deposit with the applicable Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered and not withdrawn; and

(3) deliver or cause to be delivered to the Trustee for cancellation the Notes so accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company in accordance with the terms of this covenant.

The applicable Paying Agent shall promptly deliver to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any, in accordance with Section 3.04(e).

(c) Prior to making a Change of Control Payment, and as a condition to such payment (1) the requisite holders of each issue of Indebtedness issued under an indenture or other

agreement that may be violated by such payment shall have consented to such Change of Control Payment being made and waived the event of default, if any, caused by the Change of Control or (2) the Company will repay all outstanding Indebtedness issued under an indenture or other agreement that may be violated by a Change of Control Payment or the Company must offer to repay all such Indebtedness, and make payment to the holders of such Indebtedness that accept such offer and obtain waivers of any event of default arising under the relevant indenture or other agreement from the remaining holders of such Indebtedness. The Company covenants to effect such repayment or obtain such consent prior to making a Change of Control Payment, it being a default of this Section 4.14 if the Company fails to comply with this Section 4.14(c).

(d) If the Change of Control Payment Date is on or after a Regular Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid on the relevant Interest Payment Date to the Person in whose name a Note is registered at the close of business on such Regular Record Date.

(e) The Company shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer.

(f) The Company or a third party may, at its option, redeem the Notes upon not less than ten nor more than 60 days' notice, given not more than 30 days following the consummation of the Change of Control Offer, at a redemption price of 101.0% of the aggregate principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on an interest payment date falling on or prior to such redemption date), in connection with the consummation of a Change of Control if at least 90.0% of the Notes outstanding prior to the Change of Control Payment Date are purchased pursuant to a Change of Control Offer with respect to such Change of Control.

(g) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event.

Section 4.15. *Future Subsidiary Guarantors.*

(a) The Company shall cause any domestic Restricted Subsidiary that borrows under or Guarantees the Senior Credit Facility after the Issue Date to execute and deliver to the Trustee a supplemental indenture to this Indenture, the form of which is attached as Exhibit B hereto, pursuant to which such Restricted Subsidiary will irrevocably and unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of, premium, if any, and interest in respect of the Notes on a senior basis and all other obligations under this Indenture.

(b) Notwithstanding the foregoing, each Subsidiary Guarantee shall provide by its terms that it shall be automatically and unconditionally released or discharged under the circumstances described in Section 10.06.

Section 4.16. *Maintenance of Insurance.* (a) The Company shall deliver an Officers' Certificate to the Trustee within 120 days after the end of each fiscal year certifying that, subject to Section 4.16(c), the Company and each of its Restricted Subsidiaries has obtained and has in full force and effect:

- (1) with respect to each Covered Satellite for which the risk of loss passes to the Company or such Restricted Subsidiary at or before launch, launch insurance with respect to each such Covered Satellite covering the launch of such Covered Satellite and a period of time thereafter in an amount not less than the aggregate of the purchase price of such Covered Satellite, the purchase price of launch services therefor (other than for risks borne by the relevant satellite manufacturer or by the relevant launch services provider pursuant to any launch risk guarantee) and the premium payable for such insurance; *provided* that such launch insurance is available for a price, in an amount and on other terms and conditions that are, in the reasonable determination of the Company, commercially reasonable; and
- (2) at all times subsequent to the later of (x) initial completion of in-orbit testing and (y) the coverage period of launch insurance described in clause (1) above, In-Orbit Insurance with respect to Covered Satellites other than Excluded Satellites in an amount not less than the Aggregate In-Orbit Insurance Amount (with the allocation of such insurance among such Covered Satellites being in the Company's discretion).

(b) Insurance policies required by Section 4.16(a), shall:

- (1) contain no exclusions other than:
 - (A) Acceptable Exclusions, and
 - (B) such specific exclusions applicable to the performance of the Covered Satellite being insured as are reasonably acceptable to the Company in order to obtain insurance for a price that is, and on other terms and conditions that are, commercially reasonable; and
- (2) provide coverage on an all-risks basis for loss of and damage to the Covered Satellite, subject to the exclusions specified above.

The insurance required by this Section 4.16 shall name the Company and/or one or more Restricted Subsidiaries as named insureds.

(c) For any Covered Satellite, in lieu of In-Orbit Insurance, the Company may, at its option, maintain In-Orbit Spare Capacity in which event such Covered Satellite (or portion, as applicable) shall be deemed to be insured for the percentage of the Covered Satellite's (or applicable portion's) net book value for which In-Orbit Spare Capacity is available. In the event of any loss, damage or failure affecting a Covered Satellite or the expiration and non-renewal of an insurance policy for a Covered Satellite resulting from a claim of loss under such policy that causes a failure to comply with clause (2) of Section 4.16(b), the Company and its Restricted Subsidiaries shall be deemed to be in compliance with clause (2) of Section 4.16(b) for the 120 days immediately following such loss, damage or failure or policy expiration or non-renewal,

provided that the Company or a Restricted Subsidiary, as the case may be, procures such In-Orbit Insurance or provides such In-Orbit Spare Capacity as necessary to comply with clause (2) of Section 4.16(a) within such 120 day period.

Section 4.17. *Designation of Restricted and Unrestricted Subsidiaries.* (a) The Board of Directors of the Company or any direct or indirect parent of the Company may designate any Subsidiary of the Company (including any existing Subsidiary and any newly acquired or newly formed Subsidiary or a Person becoming a Subsidiary through merger, amalgamation or consolidation or Investment therein) to be an Unrestricted Subsidiary only if:

- (1) such Subsidiary or any of its Subsidiaries has not Guaranteed any Capital Stock or Indebtedness of or owns any Capital Stock in, the Company or any Restricted Subsidiary and does not hold any Liens on any property or assets of the Company or any Restricted Subsidiary (other than a Subsidiary of the Subsidiary to be so designated);
- (2) all the Indebtedness of such Subsidiary and its Subsidiaries shall, at the date of designation, and will for so long as it is an Unrestricted Subsidiary, consist of Non-Recourse Debt;
- (3) the aggregate Fair Market Value of all outstanding Investments of the Company and its Restricted Subsidiaries in such Subsidiary complies with Section 4.07 or constitutes a Permitted Investment;
- (4) such Subsidiary is a Person with respect to which neither the Company nor any of its Restricted Subsidiaries has any direct or indirect obligation to maintain or preserve such Person's financial condition or to cause such Person to achieve any specified levels of operating results; and
- (5) except as permitted under Section 4.11, on the date such Subsidiary is designated an Unrestricted Subsidiary, such Subsidiary is not a party to any agreement, contract, arrangement or understanding with the Company or any Restricted Subsidiary with terms substantially less favorable to the Company or such Restricted Subsidiary, when taken as a whole, than those that would have been obtained from Persons who are not Affiliates of the Company.

Any such designation by the Board of Directors of the Company or any direct or indirect parent of the Company after the Issue Date shall be evidenced to the Trustee by filing with the Trustee a resolution of the Board of Directors of the Company or any direct or indirect parent of the Company giving effect to such designation and an Officers' Certificate certifying that such designation complies with the foregoing conditions. If, at any time, any Unrestricted Subsidiary would fail to meet the foregoing requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary shall be deemed to be Incurred as of such date.

(b) The Board of Directors of the Company may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that immediately after giving effect to such designation, no Event of Default shall have occurred and be continuing or would occur as a

consequence thereof and either (i) the Company would be permitted to Incur at least \$1.00 of additional Indebtedness as Ratio Debt after giving effect to such designation or (ii) the Consolidated Coverage Ratio of the Company after giving effect to such designation would be equal to or greater than such ratio immediately prior to such designation.

Section 4.18. *Suspension of Certain Covenants.* (a) Following the first day (the “**Suspension Date**”) that:

- (1) the Notes have an Investment Grade Rating from two of the Rating Agencies; and
- (2) no Default has occurred and is continuing hereunder,

the Subsidiary Guarantees will be automatically and unconditionally released and discharged and the Company and its Restricted Subsidiaries shall not be subject to the covenants in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.15, 4.16 and clause (4) of Section 5.01(a) (collectively, the “**Suspended Covenants**”). If at any time following a Suspension Date the Notes’ credit rating is downgraded from an Investment Grade Rating by any Rating Agency such that the Notes do not have an Investment Grade Rating by any two Rating Agencies, then the Suspended Covenants will thereafter be reinstated (such date, the “**Reinstatement Date**”) and be applicable pursuant to the terms of this Indenture with respect to future events, unless and until a subsequent Suspension Date occurs (in which event the Suspended Covenants shall no longer be in effect until a subsequent Reinstatement Date occurs). The period of time between Suspension Date and the Reinstatement Date is referred to as the “**Suspension Period.**”

(b) Notwithstanding the reinstatement of the Suspended Covenants upon a Reinstatement Date, no Default, Event of Default or breach of any kind shall be deemed to have occurred or exist under this Indenture, the Notes or the Subsidiary Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reinstatement Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The Company and its Subsidiaries shall be permitted, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations entered into during a Suspension Period following a Reinstatement Date and to consummate the transactions contemplated thereby; *provided* that, to the extent any such commitment or obligation results in the making of a Restricted Payment, such Restricted Payment shall be made under clause (C) of Section 4.07(a) or under Section 4.07(b) and, if not permitted by any of such provisions, such Restricted Payment shall be deemed permitted under clause (C) of Section 4.07(a) and shall be deducted for purposes of calculating the amount pursuant to such clause (C) (so that the amount available under such clause (C) immediately following such Restricted Payment shall be negative).

(c) On each Reinstatement Date, all Indebtedness Incurred during the applicable Suspension Period will be classified to have been Incurred pursuant to clause (3) of Section

4.09(b). Calculations made after each Reinstatement Date of the amount available to be made as Restricted Payments under Section 4.07 will be made as though Section 4.07 had been in effect prior to, but not during, the Suspension Period. Upon the Suspension Date, the amount of Excess Proceeds from Asset Sales shall be reset at zero. In addition, for purposes of Section 4.11, all transactions entered into by the Company or any Restricted Subsidiary with an Affiliate of the Company during the Suspension Period shall be deemed to have been entered into pursuant to clause (5) of Section 4.11(b), and for purposes of Section 4.08, all agreements and instruments entered into during the Suspension Period that contain any of the restrictions contemplated by such covenant shall be deemed to have been entered into pursuant to clause (1) of Section 4.08(b).

(d) In addition, during the Suspension Period, any Subsidiary Guarantees will be automatically released and the obligation to grant further Subsidiary Guarantees will be suspended. Upon the Reinstatement Date, the obligation to grant Subsidiary Guarantees pursuant to Section 4.15 will be reinstated (and the Reinstatement Date will be deemed to be the date on which any Indebtedness under the Senior Credit Facility was guaranteed or Incurred, as applicable, for purposes of Section 4.15).

(e) During any period when the Suspended Covenants are suspended, the Board of Directors of the Company may not designate any of the Company's Subsidiaries as Unrestricted Subsidiaries pursuant to this Indenture.

(f) The Company shall provide written notice to the Trustee of the occurrence of any Suspension Date or Reinstatement Date. The Trustee shall have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on future compliance by the Company and the Restricted Subsidiaries with their covenants or (iii) notify the holders of the occurrence of any action that results in a Suspension Date or Reinstatement Date.

ARTICLE 5 MERGER AND CONSOLIDATION

Section 5.01. *Merger and Consolidation.* (a) The Company shall not consolidate with or merge with or into or wind up into (whether or not the Company is the surviving corporation), or sell, assign, convey, transfer or otherwise dispose of all or substantially all of the assets and properties of the Company and its Restricted Subsidiaries, taken as a whole, in one or more related transactions, to any Person unless:

(1) the resulting, surviving or transferee Person (the "**Successor Company**") is the Company or will be a corporation, limited liability company, partnership, limited partnership or trust organized and existing under the laws of the United States of America, any State of the United States, the District of Columbia or any territory of the United States; *provided* that if such Person is not a corporation, such Person will immediately cause a Subsidiary that is a corporation to be added as a co-issuer of the Notes under this Indenture;

(2) the Successor Company (if other than the Company) assumes all of the obligations of the Company under the Notes and this Indenture pursuant to a supplemental indenture;

(3) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-fiscal-quarter period, either:

(A) the Successor Company would be able to Incur at least \$1.00 of additional Indebtedness as Ratio Debt, or

(B) the Consolidated Coverage Ratio for the Successor Company would be equal to or greater than such ratio for the Company immediately prior to such transaction; and

(5) each Subsidiary Guarantor (unless it is the other party to the transactions above, in which case clause (1) shall apply) shall have confirmed in writing to the Trustee that its Subsidiary Guarantee shall apply to such Person's obligations in respect of this Indenture and the Notes.

Notwithstanding the preceding clauses (3) and (4),

(1) any Restricted Subsidiary may consolidate with, merge with or into or sell, assign, convey, transfer or otherwise dispose of all or part of its assets and properties to the Company so long as no Capital Stock of the Restricted Subsidiary is distributed to any Person other than the Company, and

(2) the Company may merge with an Affiliate of the Company solely for the purpose of reincorporating the Company in another jurisdiction.

(b) Subject to the provisions in this Indenture governing release of a Subsidiary Guarantee upon the sale or disposition of a Restricted Subsidiary that is a Subsidiary Guarantor, the Company shall not permit any Subsidiary Guarantor to consolidate with or merge with or into or wind up into (whether or not the Subsidiary Guarantor is the surviving corporation), or sell, assign, convey, transfer or otherwise dispose of all or substantially all of its assets and properties to, any Person (other than to the Company or another Subsidiary Guarantor) *unless*:

(1) if such entity remains a Subsidiary Guarantor, (a) the resulting, surviving or transferee Person (the "**Successor Guarantor**") will be a corporation, limited liability company, partnership, limited partnership or trust organized and existing under the laws of the United States of America, any State of the United States, the District of Columbia or any other territory thereof; (b) the Successor Guarantor, if other than such Subsidiary Guarantor or another Subsidiary Guarantor, expressly assumes all the obligations of such Subsidiary Guarantor under the Notes and this Indenture pursuant to a supplemental indenture or other documents or instruments; (c) immediately after giving effect to such

transaction, no Default or Event of Default shall have occurred and be continuing; and (d) if the Successor Guarantor is other than such Subsidiary Guarantor or another Subsidiary Guarantor, the Company will have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture comply with this Indenture; and

(2) the transaction is made in compliance with Section 4.10 to the extent applicable (it being understood that only such portion of the Net Cash Proceeds as is required to be applied on the date of such transaction in accordance with the terms of this Indenture needs to be applied in accordance therewith at such time) and this Section 5.01.

(c) In addition, the Company shall not, directly or indirectly, lease, or permit any Subsidiary Guarantor to lease, all or substantially all of the properties of it and its Restricted Subsidiaries, taken as a whole, in one or more related transactions, to any other Person.

(d) Notwithstanding the foregoing, any Subsidiary Guarantor may (x) merge with or into or transfer all or part of its assets and properties to another Subsidiary Guarantor or the Company, or (y) merge with a Restricted Subsidiary of the Company solely for the purpose of reincorporating the Subsidiary Guarantor in a State of the United States or the District of Columbia, as long as the amount of Indebtedness of such Subsidiary Guarantor and its Restricted Subsidiaries is not increased thereby, and the resulting entity remains or becomes a Subsidiary Guarantor.

(e) For purposes of this Section 5.01, the sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the assets and properties of one or more Subsidiaries of the Company, which assets and properties, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the assets and properties of the Company on a consolidated basis, shall be deemed to be the disposition of all or substantially all of the assets and properties of the Company.

Section 5.02. *Successor Entity Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, conveyance or other disposition of all or substantially all of the assets and properties of the Company in accordance with Section 5.01 hereof, the Company shall be released from its obligations under this Indenture, and the Successor Company shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, conveyance or other disposition, the provisions of this Indenture referring to the Company shall refer instead to the Successor Company and not to the Company), and may exercise every right and power of, the Company under this Indenture and the Notes. Subject to the limitations described in this Indenture, the Successor Guarantor will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture and the Subsidiary Guarantee of such Subsidiary Guarantor.

ARTICLE 6 DEFAULTS AND REMEDIES

Section 6.01. *Events of Default.*

(a) An “**Event of Default**” means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary):

(1) default in any payment of interest on any Note when due, continued for 30 days;

(2) default in the payment of principal of or premium, if any, on any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon acceleration or otherwise;

(3) failure by the Company to comply with its obligations under Section 5.01 (other than its obligations under clause (5) of Section 5.01(a)) or the failure by any Subsidiary Guarantor to comply with its obligations under clauses (1)(b), (1)(c), (1)(d) and (2) of Section 5.01(b) in each case continued for 30 days;

(4) failure by the Company or any Restricted Subsidiary to comply for 60 days after receipt of written notice as provided below with any of its obligations, covenants and agreements contained in this Indenture (other than a default referred to in clause (1), (2) or (3) above); *provided*, that in the case of a failure to comply with Section 4.03 such period of continuance of such default or breach shall be 120 days after receipt of written notice as provided below;

(5) default by the Company or any Restricted Subsidiary under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by the Company or any of its Restricted Subsidiaries), other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or Guarantee now exists or is created after the Issue Date, which default:

(A) is caused by a failure, after the expiration of the grace period provided in such Indebtedness, to pay principal of, or interest or premium, if any, on such Indebtedness (“**Payment Default**”); or

(B) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, exceeds \$50.0 million;

(6) an involuntary case or other proceeding is commenced against the Company or any Significant Subsidiary with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or substantially all of its property, and such involuntary case or other proceeding remains undismissed and unstayed for a period of 60 consecutive days; or an order for relief is

entered against the Company or any Significant Subsidiary under the federal bankruptcy laws as now or hereafter in effect that remains undismissed and unstayed for a period of 60 consecutive days;

(7) the Company or any of its Significant Subsidiaries (i) commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect with respect to itself, or consents to the entry of an order for relief against it in an involuntary case under any such law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any of its Significant Subsidiaries or for all or substantially all of the property and assets of the Company or any of its Significant Subsidiaries or (iii) effects any general assignment for the benefit of creditors;

(8) failure by the Company or any Significant Subsidiary to pay final and non-appealable judgments aggregating in excess of \$50.0 million (net of any amounts that are covered by insurance provided by a reputable and creditworthy insurance company), which judgments are not paid, discharged, waived or stayed for a period of 60 consecutive days after such judgments become final; or

(9) any Subsidiary Guarantee of a Significant Subsidiary ceases to be in full force and effect (except as contemplated by the terms of this Indenture) or is declared null and void in a judicial proceeding or any Subsidiary Guarantor that is a Significant Subsidiary denies or disaffirms its obligations under this Indenture or its Subsidiary Guarantee.

(b) However, a default under clause (4) of Section 6.01(a) will not constitute an Event of Default until (a) the Trustee provides written notice to the Company of the default or the Holders of 25% in aggregate principal amount of the then-outstanding Notes provide written notice to the Company of the default, with a copy to the Trustee, and (b) the Company does not cure such default within the applicable time specified in clause (4) of Section 6.01(a) after receipt of such notice.

Section 6.02. *Acceleration.* (a) If an Event of Default (other than an Event of Default described in clauses (6) or (7) of Section 6.01(a)) occurs and is continuing, the Trustee by notice in writing specifying the Event of Default and that it is a "notice" to the Company, or the Holders of at least 25% in aggregate principal amount of the then-outstanding Notes by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium, if any, and accrued and unpaid interest, if any, shall be due and payable immediately.

(b) In the event of a declaration of acceleration of the Notes because an Event of Default described in clause (5) of Section 6.01(a) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the default triggering such Event of Default pursuant to clause (5) of Section 6.01(a) shall be remedied or cured by the Company or a Restricted Subsidiary or waived by the holders of the relevant Indebtedness within 20 days after the declaration of acceleration with respect thereto and if (1) the annulment of the

acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium, if any, or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

(c) If an Event of Default described in clauses (6) or (7) of Section 6.01(a) occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

Section 6.03. *Other Remedies.* If an Event of Default occurs and is continuing, the Trustee may pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

Section 6.04. *Waiver of Past Defaults.* The Holders of a majority in aggregate principal amount of the then-outstanding Notes may, by written notice to the Trustee and on behalf of the Holders of all of the Notes, waive, rescind or cancel any declaration of an existing or past Default or Event of Default and its consequences under this Indenture if such waiver, rescission or cancellation would not conflict with any judgment or decree of a court of competent jurisdiction, except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes (other than such nonpayment of principal or interest that has become due as a result of such acceleration). Upon any such waiver, rescission or cancellation, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. *Control by Majority.* Subject to Section 7.02(7), the Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines in good faith is unduly prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders) or that would involve the Trustee in personal liability; provided, however that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification from the Holders satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

Section 6.06. *Limitation on Suits.* If an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee an indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except to

enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes *unless*:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the then-outstanding Notes have requested the Trustee, by notice in writing, to pursue the remedy;
- (3) such Holders have offered the Trustee satisfactory security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) the Holders of a majority in aggregate principal amount of the then-outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

Section 6.07. *Rights of Holders to Receive Payment.* Notwithstanding anything to the contrary, the right of a Holder of a Note to receive payment of principal of or interest on its Note on or after the Stated Maturity thereof, or to bring suit for the enforcement of any such payment on or after such respective dates, may not be impaired or affected without the consent of that Holder. For the avoidance of doubt, no amendment to or deletion of any of the covenants described under Article 4 (other than Section 4.01) shall be deemed to impair or affect any rights of holders to receive payment of principal, premium, if any, and interest on such Holder's Notes.

Section 6.08. *Collection Suit by Trustee.* If an Event of Default in payment of principal or interest specified in clause (1) or (2) of Section 6.01(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount of principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the compensation of the Trustee and reasonable expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09. *Trustee May File Proofs of Claim.* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation of the Trustee or for reasonable expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relating to the Company or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and

any other amounts due the Trustee hereunder. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. *Priorities.* If the Trustee collects any money pursuant to this Article, it shall pay out the money in the following order:

First: to the Trustee and the Agents for all amounts due hereunder;

Second: to Holders for amounts then due and unpaid for principal of and interest on the Notes, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest; and

Third: to the Company or as a court of competent jurisdiction may direct.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section.

Section 6.11. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Subsidiary Guarantors, the Trustee and the Holders will be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, any Subsidiary Guarantors, the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 6.12. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by a Holder to enforce payment of principal of or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in aggregate principal amount of the then-outstanding Notes.

Section 6.13. *Rights and Remedies Cumulative.* No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or exercise of any other right or remedy.

Section 6.14. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7
THE TRUSTEE

Section 7.01. *General.* (a) The duties and responsibilities of the Trustee are as provided by the Trust Indenture Act and as set forth herein. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) In case an Event of Default has occurred and is continuing, the Trustee shall exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(d) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this Subsection shall not be construed to limit the effect of Section 7.01(b);

(2) the Trustee shall not be liable for any error of judgement made in good faith by a Trust Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the outstanding Notes of any series; and

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

Section 7.02. *Certain Rights of Trustee.* Subject to Trust Indenture Act Sections 315(a) through (d):

(1) In the absence of bad faith on its part, the Trustee may rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee, in its discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

(2) Before the Trustee acts or refrains from acting (except (x) as provided in Sections 2.04, 3.03(e) and 3.04(e) and (y) with respect to an Opinion of Counsel, in connection with the original issuance of any Notes or the execution of any amendment or supplement entered into in connection with adding any Subsidiary Guarantor under this Indenture), it may require an Officers' Certificate or an Opinion of Counsel conforming to Section 12.03 and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on the certificate or opinion.

(3) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(4) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(5) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in accordance with the direction of the Holders in accordance with Section 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(6) The Trustee may consult with counsel, and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(7) The Trustee shall not be bound to make any investigation into the facts or matters stated in any document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to

examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(8) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(9) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(10) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each Agent employed to act hereunder.

(11) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03. *Individual Rights of Trustee.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee. Any Agent may do the same with like rights. However, the Trustee is subject to Trust Indenture Act Sections 310(b) and 311. For purposes of Trust Indenture Act Section 311(b)(4) and (6):

(a) “**cash transaction**” means any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks or bankers and payable upon demand; and

(b) “**self-liquidating paper**” means any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, provided the security is received by the Trustee simultaneously with the creation of the creditor relationship arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

Section 7.04. *Trustee’s Disclaimer.* The Trustee (i) makes no representation as to the validity or adequacy of this Indenture or the Notes, (ii) is not accountable for the Company’s use or application of the proceeds from the Notes and (iii) is not responsible for any statement in the Notes other than its certificate of authentication.

Section 7.05. *Notice of Default.* If any Default occurs and is continuing and is known to the Trustee, the Trustee must mail to each Holder notice of the Default within 90 days after it occurs or within 30 days after the Trustee has actual knowledge of the Default, whichever is later. Except in the case of a Default in the payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06. *Reports by Trustee to Holders.* Within 60 days after each May 15, beginning with May 15, 2018, the Trustee will mail to each Holder, as provided in Trust Indenture Act Section 313(c), a brief report dated as of such May 15, if required by Trust Indenture Act Section 313(a), and file such reports with each stock exchange (if any) upon which its Notes are listed and with the SEC as required by Trust Indenture Act Section 313(d).

Section 7.07. *Compensation and Indemnity.* (a) The Company will pay the Trustee compensation as agreed upon with the Trustee in writing between the Company and the Trustee for its services. The compensation of the Trustee is not limited by any law on compensation of a Trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee, including the reasonable compensation and expenses of the Trustee's agents and counsel.

(b) The Company shall indemnify the Trustee for, and hold it harmless against, any loss or liability or expense incurred by it without willful misconduct, negligence or bad faith on its part arising out of or in connection with the acceptance or administration of this Indenture and the performance of its duties under this Indenture and the Notes, including the costs and expenses enforcing this Indenture (including this Section 7.07), of defending itself against any claim whether asserted by any Holder or the Company, or liability and of complying with any process served upon it or any of its officers in connection with the acceptance, exercise or performance of any of its powers or duties under this Indenture and the Notes. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend any such claim and the Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. Notwithstanding the foregoing, the Company shall not be required to indemnify the Trustee with respect to any settlement made without the consent of the Company, which consent will not be unreasonably withheld.

(c) To secure the Company's payment obligations in this Section, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on particular Notes.

(d) When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 6.01(a)(6) or Section 6.01(a)(7), the expenses (including the reasonable charges and expenses of its counsel) are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

(e) The provisions of this Article shall survive the termination of this Indenture

Section 7.08. *Replacement of Trustee.* (a) (1) The Trustee may resign at any time by written notice to the Company.

(2) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(3) If the Trustee is no longer eligible under Section 7.10 or in the circumstances described in Trust Indenture Act Section 310(b), any Holder that satisfies the requirements of Trust Indenture Act Section 310(b) may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(4) The Company may remove the Trustee if: (i) the Trustee is no longer eligible under Section 7.10; (ii) the Trustee is adjudged a bankrupt or an insolvent; (iii) a receiver or other public officer takes charge of the Trustee or its property; or (iv) the Trustee becomes incapable of acting.

(5) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

(b) If the Trustee has been removed by the Holders, Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of a majority in principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the Company's expense.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee will transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company will execute any and all instruments for fully and vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 will continue for the benefit of the retiring Trustee.

(e) The Trustee agrees to give the notices provided for in, and otherwise comply with, Trust Indenture Act Section 310(b).

Section 7.09. *Successor Trustee by Merger.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

Section 7.10. *Eligibility.* This Indenture must always have a Trustee that satisfies the requirements of Trust Indenture Act Section 310(a) and has a combined capital and surplus of at least \$25,000,000 as set forth in its most recent published annual report of condition.

Section 7.11. *Money Held in Trust.* The Trustee will not be liable for interest on any money received by it except as it may agree with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

ARTICLE 8 LEGAL DEFEASANCE AND COVENANT DISCHARGE

Section 8.01. *Option to Effect Legal Defeasance or Covenant Defeasance.*

(a) The Company may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02. *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and the Subsidiary Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Subsidiary Guarantees on the date the conditions set forth below are satisfied ("**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, to have satisfied all of its other obligations under such Notes, the Subsidiary Guarantees and this Indenture including that of the Subsidiary Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), and to have cured all then-existing Events of Default, except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(b) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(c) the rights, powers, trusts, duties and immunities of the Trustee hereunder, and the Company's obligations in connection therewith; and

(d) this Section 8.02.

If the Company exercises the Legal Defeasance option, the Subsidiary Guarantees in effect at such time shall terminate, and each Subsidiary Guarantor shall be automatically and unconditionally released and discharged from all of its obligations with respect thereto.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof. If the Company exercises its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to the Notes.

Section 8.03. Covenant Defeasance.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and the Subsidiary Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, terminate and be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.15, 4.16 and 4.17 hereof and clause (3) and (4) of Section 5.01(a) and, clause (1)(b), (1)(c), (1)(d) and (2) of Section 5.01(b) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied ("**Covenant Defeasance**"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company and the Subsidiary Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) (with respect to Significant Subsidiaries only) , 6.01(a)(7) (with respect to Significant Subsidiaries only), 6.01(a)(8), and Section 6.01(a)(9) shall not constitute Events of Default.

If the Company exercises the covenant defeasance option, the Subsidiary Guarantees in effect at such time will terminate and each Subsidiary Guarantor shall be automatically and unconditionally released and discharged from all of its obligations with respect thereto.

Section 8.04. Conditions to Legal or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination of cash in U.S. dollars and non-callable U.S. Government Obligations, in amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium, if any, on the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company has delivered to the Trustee an Opinion of Counsel confirming that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the respective outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company has delivered to the Trustee an Opinion of Counsel confirming that the beneficial owners of the respective outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowings) or insofar as Events of Default resulting from the borrowing of funds or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) the Company must deliver to the Trustee an Opinion of Counsel to the effect that, assuming, among other things, no intervening bankruptcy of the Company between the date of deposit and the 91st day following the deposit and assuming that no Holder is an "insider" of the Company under applicable bankruptcy law, after the 91st day following the deposit, the trust funds shall not be subject to the effect of any applicable bankruptcy, insolvency, reorganization of similar laws affecting creditors' rights generally;

(6) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Section 8.05. Deposited Money and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "**Trustee**") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Subsidiary Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or U.S. Government Obligations held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06. Repayment to the Company.

Subject to applicable unclaimed property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium or interest on any Note and remaining unclaimed for two years after such principal, and premium or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 8.07. Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or U.S. Government Obligations in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Company makes any payment of principal of, premium or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01. *Amendments Without Consent of Holders.* Notwithstanding Section 9.02 hereof, without the consent of any Holder, the Company, any Subsidiary Guarantor (with respect to its Subsidiary Guarantor or this Indenture) and the Trustee may amend or supplement this Indenture, the Notes and the Subsidiary Guarantees to:

- (1) cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) comply with Article 5;
- (3) provide for the assumption by a successor entity (or co-issuer) of the obligations of the Company or any Subsidiary Guarantor under this Indenture and the Notes or Subsidiary Guarantee (whether through merger, consolidation, sale of all or substantially all of assets and properties or otherwise);
- (4) provide for or facilitate the issuance of uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);
- (5) comply with the rules of any applicable depository;
- (6) add Guarantees with respect to the Notes or release a Subsidiary Guarantor from its obligations under its Subsidiary Guarantee or this Indenture in accordance with the applicable provisions of this Indenture;
- (7) secure the Notes and the Subsidiary Guarantees;
- (8) add to the covenants of the Company and its Restricted Subsidiaries or Events of Default for the benefit of the Holders or to make changes that would provide additional rights to Holders or to surrender any right or power conferred upon the Company or any Subsidiary Guarantor;
- (9) make any change that does not materially adversely affect the rights of any Holder under this Indenture;

(10) evidence or provide for the appointment under this Indenture of a successor trustee; provided that the successor trustee is otherwise qualified and eligible to act as such under the terms of this Indenture;

(11) provide for the issuance of Additional Notes under this Indenture;

(12) comply with the provisions described under Article 10 or Section 4.15;

(13) conform the text of this Indenture (including any supplemental indenture or other instrument pursuant to which Additional Notes are issued), the Notes or the Subsidiary Guarantees to any provision of the "Description of Notes" section of the Company's Offering Memorandum dated September 7, 2017 to the extent that such provision in such "Description of Notes" section was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Subsidiary Guarantees, as confirmed to the Trustee by an Officer's Certificate, or, with respect to any Additional Notes or any supplemental indenture or other instrument pursuant to which Additional Notes or any supplemental indenture or other instrument pursuant to which Additional Notes are issued, to any provision of the "Description of Notes" relating to the issuance of the Additional Notes solely to the extent that the "Description of Notes" provides for terms of such Additional Notes that differ from the terms of the Initial Notes; or

(14) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; *provided, however*, that (A) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (B) such amendment does not materially and adversely affect the rights of Holders to transfer Notes.

After an amendment or supplement under this Indenture becomes effective, the Company is required to deliver or mail to the Holders a notice briefly describing such amendment, supplement or waiver. However, the failure to deliver or mail such notice to all the Holders, or any defect in the notice, shall not impair or affect the validity of the amendment, supplement or waiver.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 9.04 and Section 12.03 hereof, as applicable, the Trustee shall join with the Company and the Subsidiary Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02. *Amendments with Consent of Holders.* (a) Except as provided in this Section 9.02, the Company, the Subsidiary Guarantors (as applicable) and the Trustee may amend or supplement this Indenture, the Notes and the Subsidiary Guarantees with the consent

of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing or past Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Subsidiary Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with the purchase of, or tender offer or exchange offer for, Notes). Section 2.05 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

(b) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.04 and Section 12.03 hereof, as applicable, the Trustee shall join with the Company in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder’s Notes shall not be rendered invalid by such tender.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall deliver or mail to the Holders a notice briefly describing such amendment, supplement or waiver; *provided* that the failure to deliver or mail such notice to all the Holders, or any defect in the notice will not impair or affect the validity of the amendment, supplement or waiver.

(e) Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the percentage of the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the stated rate of interest or extend the stated time for payment of interest on any Note;
- (3) reduce the principal of or extend the Stated Maturity of any Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on the Notes (except a rescission of acceleration of the Notes)

by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes with respect to a nonpayment default and a waiver of the payment default that resulted from such acceleration);

(5) reduce the premium payable upon the redemption or repurchase of any Note or change the time at which any Note may be redeemed or repurchased under Section 3.01, Section 4.10 and Section 4.14 whether through an amendment or waiver of provisions in the covenants, definitions or otherwise (except amendments to the definition of "Change of Control") (other than any change to the notice periods with respect to such redemption);

(6) make any Note payable in money other than that stated in the Note;

(7) otherwise impair the right of any Holder to receive payment of principal of, premium, if any, and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(8) make any change in the amendment provisions which require each Holder's consent or in the provisions of this Indenture relating to waivers of Defaults or Events of Default; or

(9) modify the Subsidiary Guarantees in any manner materially adverse to the Holders of the Notes.

Section 9.03. *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, except as may be provided by the terms of any request for consent, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04. *Trustee to Sign Amendments, etc.*

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment, supplement or waiver until its Board of Directors approves it. In executing any amendment, supplement or waiver, the Trustee shall be entitled to receive and (subject to Section 7.01 and Section 7.02 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 12.03 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any

Subsidiary Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

Notwithstanding anything to the contrary herein, no Opinion of Counsel with respect to conditions precedent or as to whether the supplement is authorized or permitted will be required for the Trustee to execute any amendment or supplement entered into in connection with adding Subsidiary Guarantors.

ARTICLE 10
SUBSIDIARY GUARANTEES

Section 10.01. *Subsidiary Guarantee.*

(a) Subject to this Article 10, each of the Subsidiary Guarantors shall, jointly and severally, irrevocably and unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of, premium, if any, or interest on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Subsidiary Guarantors shall be jointly and severally obligated to pay the same immediately. Each Subsidiary Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Subsidiary Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Subsidiary Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Subsidiary Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Company or the Subsidiary Guarantors, any amount paid either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Subsidiary Guarantor further agrees that, as between the Subsidiary Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Subsidiary Guarantors for the purpose of this Subsidiary Guarantee. The Subsidiary Guarantors shall have the right to seek contribution from any non-paying Subsidiary Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Subsidiary Guarantees.

(e) Each Subsidiary Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation, reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Subsidiary Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(f) In case any provision of any Subsidiary Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(g) Each payment to be made by a Subsidiary Guarantor in respect of its Subsidiary Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02. Limitation on Subsidiary Guarantor Liability.

(a) Each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Subsidiary Guarantee.

(b) To effectuate the foregoing intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee will be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Subsidiary Guarantor

(including, without limitation, any Guarantees under the Senior Credit Facility) that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under this Article 10, result in the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Any Subsidiary Guarantor that makes a payment under its Subsidiary Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's pro rata portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.03. Execution and Delivery.

To evidence its Subsidiary Guarantee set forth in Section 10.01 hereof, each Subsidiary Guarantor hereby agrees that this Indenture shall be executed on behalf of such Subsidiary Guarantor by an Officer of such Subsidiary Guarantor.

Each Subsidiary Guarantor hereby agrees that its Subsidiary Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Subsidiary Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of the Subsidiary Guarantors.

To the extent required by Section 4.15 hereof, the Company shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article 10, to the extent applicable.

Section 10.04. Subrogation.

Each Subsidiary Guarantor shall be subrogated to all rights of Holders of Notes against the Company in respect of any amounts paid by any Subsidiary Guarantor pursuant to the provisions of Section 10.01 hereof; *provided* that, if an Event of Default has occurred and is continuing, no Subsidiary Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.05. Benefits Acknowledged.

Each Subsidiary Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Subsidiary Guarantee are knowingly made in contemplation of such benefits.

Section 10.06. *Release of Subsidiary Guarantees.*

A Subsidiary Guarantee by a Subsidiary Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Subsidiary Guarantor, the Company or the Trustee is required for the release of such Subsidiary Guarantor's Subsidiary Guarantee, upon:

(1)

(A) the occurrence of any sale, exchange, transfer or other disposition (by merger, amalgamation, consolidation or otherwise) of all of the Capital Stock of such Subsidiary Guarantor (including any sale, exchange, transfer or other disposition after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary) or of all or substantially all of the assets and property of such Subsidiary Guarantor, which sale, exchange, transfer or other disposition is made in compliance with the applicable provisions of this Indenture (to the extent such provisions are required to be satisfied as of the date of the transaction);

(B) the release or discharge of such Subsidiary Guarantor from its Guarantee of Indebtedness of the Company and the Subsidiary Guarantors under the Senior Credit Facility (including by reason of the termination of the Senior Credit Facility), except a discharge or release by or as a result of payment under such Guarantee (it being understood that a release subject to a contingent reinstatement is still a release, and that if any such Guarantee is so reinstated, such Subsidiary Guarantee shall also be reinstated to the extent that such Subsidiary Guarantor would then be required to Guarantee the Notes pursuant to this Indenture);

(C) the designation of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with Section 4.17; or

(D) the Company exercising its Legal Defeasance option or Covenant Defeasance option as described under Article 8 or the Company's obligations under this Indenture being discharged in accordance with the terms of this Indenture; and

(2) such Subsidiary Guarantor delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction and/or release have been complied with.

ARTICLE 11
SATISFACTION AND DISCHARGE

Section 11.01. *Satisfaction and Discharge.*

This Indenture shall be discharged and shall cease to be of further effect (and any collateral then securing the Notes shall be released) as to all Notes, when:

(1) either:

a) all Notes that have been authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced pursuant to Section 2.04 or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from trust, have been delivered to the Trustee for cancellation; or

b) all Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the making of a notice of redemption or otherwise, (ii) will become due and payable within one year or (iii) have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee, as trust funds in trust solely for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. Government Obligations, or a combination thereof, in such amounts as shall be sufficient without consideration of any reinvestment of interest to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums then due and payable under this Indenture; and

(3) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be,

then the Trustee shall acknowledge satisfaction and discharge of this Indenture with respect to the Notes on demand of the Company (accompanied by an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) and at the cost and expense of the Company.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to clause (1)(b) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 shall survive.

Section 11.02. *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Subsidiary Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Company has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 12
MISCELLANEOUS

Section 12.01. *Holder Communications; Holder Actions.* (a) The rights of Holders to communicate with other Holders with respect to this Indenture or the Notes are as provided by the Trust Indenture Act, and the Company and the Trustee shall comply with the requirements of Trust Indenture Act Sections 312(a) and 312(b). Neither the Company nor the Trustee will be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

(b) (1) Any request, demand, authorization, direction, notice, consent to amendment, supplement or waiver or other action provided by this Indenture to be given or taken by a Holder (for purposes of this Section 12.01, an "**act**") may be evidenced by an instrument signed by the Holder delivered to the Trustee. The fact and date of the execution of the instrument, or the authority of the person executing it, may be proved in any manner that the Trustee deems sufficient.

(2) The Trustee may make reasonable rules for action by or at a meeting of Holders, which will be binding on all the Holders.

(c) Any act by the Holder of any Note binds that Holder and every subsequent Holder of a Note that evidences the same debt as the Note of the acting Holder, even if no notation thereof appears on the Note. Subject to paragraph(d), a Holder may revoke an act as to its Notes, but only if the Trustee receives the notice of revocation before the date the amendment or waiver or other consequence of the act becomes effective.

(d) The Company may, but is not obligated to, fix a record date (which need not be within the time limits otherwise prescribed by Trust Indenture Act Section 316(c)) for the purpose of determining the Holders entitled to act with respect to any amendment or waiver or in any other regard, except that during the continuance of an Event of Default, only the Trustee may set a record date as to notices of default, any declaration or acceleration or any other remedies or other consequences of the Event of Default. If a record date is fixed, those Persons that were Holders at such record date and only those Persons will be entitled to act, or to revoke any previous act, whether or not those Persons continue to be Holders after the record date. No act will be valid or effective for more than 90 days after the record date.

Section 12.02. *Notices.* (a) Any notice or communication to the Company or the Trustee will be deemed given if in writing (i) when delivered in person or (ii) three days after mailing when mailed by first class mail, (iii) when sent by facsimile transmission, with transmission confirmed or (iv) the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery. Notices or communications to a Subsidiary Guarantor will be deemed given if given to the Company. In each case the notice or communication should be addressed as follows:

if to the Company:

ViaSat, Inc.
6155 El Camino Real
Carlsbad, CA 92009
Attention: General Counsel

if to the Trustee:

Wilmington Trust, National Association
Global Capital Markets
50 South Sixth Street, Suite 1290
Minneapolis, MN 55402-1544
Fax No.: (612) 217-5651
Attention: ViaSat, Inc. Administrator

The Company or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications.

(b) Except as otherwise expressly provided with respect to published notices, any notice or communication to a Holder will be deemed given when mailed to the Holder at its address as it appears on the Register by first class mail or by other electronic means or such other delivery system as the Trustee agrees to accept. Notwithstanding the foregoing, as to any Global Note registered in the name of a Depositary or its nominee, any notice or communication shall be sufficiently given if given to the Depositary according to the applicable procedures of the Depositary (or as otherwise as agreed by the Company, the Trustee and the Depositary). Copies of any notice or communication to a Holder, if given by the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

(d) If a notice or communication is delivered or mailed in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

1. *Principal and Interest.*

The Company promises to pay the principal of this Note on September 15, 2025.

The Company promises to pay interest on the principal amount of this Note on each interest payment date, as set forth on the face of this Note, at the rate of 5.625% per annum.

Interest will be payable semiannually (to the Holders of record of the Notes at the close of business on the September 1 or March 1 immediately preceding the interest payment date) on each interest payment date, commencing March 15, 2018.

Interest on this Note will accrue from the most recent date to which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Issue Date. Interest will be computed in the basis of a 360-day year of twelve 30-day months.

The Company will pay interest on overdue principal, premium, if any, and, to the extent lawful, interest at the interest rate on the Notes.

2. *Indentures; Note Guaranty.*

This is one of the Notes issued under an Indenture dated as of September 21, 2017 (as amended or supplemented from time to time, the “**Indenture**”), between the Company and Wilmington Trust, National Association, as Trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general unsecured obligations of the Company. The Indenture limits the original aggregate principal amount of the Notes to \$700,000,000, but Additional Notes may be issued pursuant to the Indenture, and the originally issued Notes and all such Additional Notes vote together for all purposes as a single class. This Note may be guaranteed as set forth in the Indenture.

This Note is subject to optional redemption, and may be the subject of an Offer to Purchase, as further described in the Indenture. There is no sinking fund or mandatory redemption applicable to this Note.

If the Company deposits with the Trustee money or U.S. Government Obligations sufficient to pay the then outstanding principal of, premium, if any, and accrued interest on the Notes to redemption or maturity, the Company may in certain circumstances be discharged from the Indenture and the Notes or may be discharged from certain of its obligations under certain provisions of the Indenture.

4. *Registered Form; Denominations; Transfer; Exchange.*

A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

5. *Defaults and Remedies.*

If an Event of Default (other than an Event of Default arising from certain events of bankruptcy or insolvency), occurs and is continuing, the Trustee by notice in writing specifying the Event of Default and that it is a “notice” to the Company, or the Holders of at least 25% in aggregate principal amount of the then-outstanding Notes by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium, if any, and accrued and unpaid interest, if any, shall be due and payable immediately. If certain events of bankruptcy or insolvency with respect to the Company occur and is continuing, the principal of, premium, if any, and accrued and unpaid interest, if any, on all of the Notes automatically become due and payable.

We agree for the benefit of the Company, on our own behalf and on behalf of each account for which we are acting, that such Notes may be offered, sold, pledged or otherwise transferred only in accordance with the Securities Act and any applicable securities laws of any State of the United States and only (a) to the Company, (b) pursuant to a registration statement which has become effective under the Securities Act, (c) to a qualified institutional buyer in compliance with Rule 144A under the Securities Act, (d) in an offshore transaction in compliance with Rule 904 of Regulation S under the Securities Act, (e) in a principal amount of not less than \$250,000, to an Institutional Accredited Investor that, prior to such transfer, delivers to the Trustee a duly completed and signed certificate (the form of which may be obtained from the Trustee) relating to the restrictions on transfer of the Notes or (f) pursuant to an exemption from registration provided by Rule 144 under the Securities Act or any other available exemption from the registration requirements of the Securities Act.
